# How to Book Us !

It's a very simple process and we would be privileged to help you! Let us take this opportunity to guide you through the booking process.

## How to Book Us

1. Download our Dressing Booking Form from your message /email or website [www.marrymecyprusdecor.com](http://www.marrymecyprusdecor.com)
2. To check availability and "Secure the Date" send an email to: [orders@marrymecyprus.co.uk](mailto:orders@marrymecyprus.co.uk). The Team will generate an invoice in the amount of €100 for the non refundable Booking Fee. This amount is deducted from your final décor invoice which is due 6 weeks prior to your wedding day.
3. Once the Booking Fee is paid, you will receive a Receipted Invoice. You can now sit and relax, safe in the knowledge that the services of Marry Me Cyprus are reserved for your wedding day.
4. Once you have chosen your décor, download the Dressing Form with the details of your order for your Wedding Day Décor ; alternatively just send it all in an email to [orders@marrymecyprus.co.uk](mailto:orders@marrymecyprus.co.uk). A Proforma Invoice will be issued and at this point in time, we would ask for a further 20% of the total cost to secure all the items. Don't worry, changes can be made up to 6 weeks before the date of your wedding.
5. Should you wish to make interim payments then all we ask is that you email to advise a payment is on its way. We will then issue an updated Proforma which will detail payments made. Your final payment will become due 6 weeks prior to your Wedding Day, at which this time the non refundable Booking Fee will be deducted from the balance due and any additional payments made.
6. Just remember, we are here to help you so any queries or questions with regards to any of the items for your Wedding Day Decor, just send an email to the Team and we will assist you as best we can.

## Important Information

Please ensure you book your date as early as possible! This will avoid disappointment on dates within peak periods where we may not be able to help you. We are able to take bookings for Weddings for 2023-2025. All prices will be charged at the time of booking, so if you book in 2022 for 2023 you will be charged the current brochure rates – the earlier you book the more you may be able to save! We understand at the time of booking you may not know how many people will be attending, but don't worry about final numbers as these can be confirmed 6 weeks beforehand.

Once your Secure the Date Booking Fee is paid, you can take your time and choose your décor at leisure. We would, however, recommend early booking of the larger limited stock items such as LOVE, MR & MRS Lights, Illuminated Arches, Dancefloors and PENELOPE Ice Cream Trike.

Prices are based on Paphos Weddings, delivery is available to Limassol, Larnaca, Agia Napa and Protaras for an Additional Charge.  
Minimum Order for Limassol is €300.00 - Minimum Order for Larnaca is €400- Minimum Order for Agia Napa & Protaras is €500.00

15ft x 2 SIDE– Wedding Runner 20ft

WEDDING *Aisle* PETAL RUNNERS

A soft-focus photograph of a wedding ceremony setup. In the foreground, a white chair is partially visible, with a large, lush bouquet of white roses and greenery resting on it. Another similar bouquet is on a chair in the background. The scene is set outdoors, with a white canopy structure and a glimpse of a beach and ocean in the distance. The overall mood is romantic and elegant.

WHITE *LOVE* LIGHTS

ORDER: L1- LOVE

€165.00

LOVE

A bride and groom are captured in a romantic moment, kissing in front of a large, illuminated sign that spells out the word "LOVE". The sign is composed of large, white, block letters, each filled with numerous small, warm-white lights. The bride is wearing a white, sleeveless wedding dress with a long, flowing train and a white veil. The groom is wearing a blue suit jacket, a white shirt, and a dark bow tie. They are standing on a light-colored, reflective surface, possibly a pool deck or a polished floor. The background is a lush, green garden with several trees, some of which have white blossoms. The lighting is soft and warm, suggesting a late afternoon or early evening setting.

EXTENSIVE BROCHURE FOR ALL  
YOUR WEDDING DAY EXTRAS

# How to Book Us!

It's a very simple process and we would be privileged to help you! Let us take this opportunity to guide you through the booking process.

1. Download our Dressing Booking Form from your message /email or website [www.marrymecyprusdecor.com](http://www.marrymecyprusdecor.com)
2. To check availability and "Secure the Date" send an email to: [orders@marrymecyprus.co.uk](mailto:orders@marrymecyprus.co.uk). The Team will generate an invoice in the amount of €100 for the non refundable Booking Fee. This amount is deducted from your final décor invoice which is due 6 weeks prior to your wedding day.
3. Once the Booking Fee is paid, you will receive a Receipted Invoice. You can now sit and relax, safe in the knowledge that the services of Marry Me Cyprus are reserved for your wedding day.
4. Once you have chosen your décor, download the Dressing Form with the details of your order; alternatively just send it all in an email to [orders@marrymecyprus.co.uk](mailto:orders@marrymecyprus.co.uk). A Proforma Invoice will be issued and at this point in time, we would ask for a further 20% of the total cost to secure all the items. Don't worry, changes can be made up to 6 weeks before the date of your wedding.
5. Should you wish to make interim payments then all we ask is that you email to advise a payment is on its way. We will then issue an updated Proforma which will detail payments made. Your final payment will become due 6 weeks prior to your Wedding Day, at which time the non refundable Booking Fee will be deducted from the balance due and any additional payments made.
6. Just remember, we are here to help you so any queries, just send an email to the Team.

## Important Information

Please ensure you book your date as early as possible! This will avoid disappointment on dates within peak periods where we may not be able to help you. We are able to take bookings for wedding for 2021-2023. All prices will be charged at the time of booking, so if you book in 2021 for 2023 you will be charged the current brochure rates – the earlier you book the more you may be able to save! We understand at the time of booking you may not know how many people will be attending, but don't worry about final numbers as these can be confirmed 6 weeks beforehand.

Once your Secure the Date Booking Fee is paid, you can take your time and choose your décor at leisure. We would, however, recommend early booking of the larger limited stock items such as LOVE, MR & MRS Lights, Illuminated Arches, Dancefloors and PENELOPE Ice Cream Trike.

If you are able to send us your "colour samples", please email us for a UK address to send these to and we will do our very best to match for the day.

**Prices are based on Paphos Weddings, delivery is available to Limassol, Larnaca, Agia Napa and Protaras and will be a minimum as stated in the brochure.**

**Minimum Order for Limassol is €200.00 - Minimum Order for Larnaca is €250- Minimum Order for Agia Napa & Protaras is €300.00**
