

Modern Slavery Policy

32Recruit is committed to eliminating modern slavery, human trafficking, forced labour, and similar human rights abuses.

32Recruit is committed to ensuring that its staff and any workers it supplies (directly or indirectly) are not subject to behaviour or threats that may amount to modern slavery, human trafficking, forced labour, and similar human rights abuses.

32Recruit provides appropriate training and awareness information for its entire staff.

In particular:

- All of our staff receive awareness-raising information around issues involving modern slavery and human trafficking, so that they can bring any concerns they have to the attention of management.
- Any staff, workers or other parties are strongly encouraged to report any concerns or suspicions that they might have to the Director of **32Recruit**

Reports surrounding these issues are taken extremely seriously by our Director who is committed to ensuring that all investigations shall be prompt and effective. If our investigations reveal any issues, we are committed to taking appropriate action, including but not limited to:

- Working with the appropriate organisations to improve standards,
- Removing that organisation from our preferred supplier list,
- Passing details to appropriate law enforcement bodies.

32Recruit provide white collar construction workers on a permanent basis within the United Kingdom.

This policy was adopted in 2020 upon the formation of **32Recruit** and it will be reviewed annually.
