**Master Service Agreement**

This Quote is made pursuant to the Master Information Technology Services Agreement (the "Master Agreement") between Infotech Solutions, LLC and the party to whom this Quote is prepared for ("Customer"). The terms of this Quote are incorporated into the Master Agreement and subject to the terms and conditions set forth in the Master Agreement.

**Certain Other Terms**

Unless this Quote expressly states a flat rate for Services, Infotech is being hired on an hourly basis to perform the Services described above in this Quote. Any estimate of hours to be incurred, or of total labor costs to be incurred at an hourly rate, is provided as a good faith, but nonbinding estimate of total labor costs expected to complete the work described. Customer acknowledges that a stable scope of work is critical to the accuracy of the price estimates in this Quote. Unless otherwise stated above, this estimate is for hardware and/or software only. Testing, debugging, data transfer, system setup, system updating, and other Services provided are billed at our normal hourly rates and will be in addition to this estimate.
