The Red Pony Stands® Ojibwe Horse Sanctuary is dedicated to protecting, promoting, and preserving the critically endangered Lac La Croix Indigenous Pony! Our sanctuary has dedicated its pastures and facilities exclusively to the Lac La Croix Indigenous Pony breed and is committed to developing a responsible and sustainable breeding program to ensure the survival of the breed for future generations to come. Our goals include meeting the utmost physical and spiritual care of our ponies at all times while educating the public on the cultural and historical importance of the breed. By becoming a sponsor, you establish a personal relationship with The Red Pony Stands® Ojibwe Horse Sanctuary through a particular pony(ies) that resides on the sanctuary. With your contributions, you ensure that the pony(ies) you sponsor will be fed and cared for during the period of one (1) year. Sponsorships make meaningful gifts for any horse lover on a special occasion. All sponsorship donations go directly to the care of the sponsored pony(ies). You may wish to sponsor a pony for yourself, as a gift for someone special, or in the name of a loved one.
