Meet Brandy

Brandy Trout is a leadership strategist, Kolbe Certified™ Performance Specialist, and John Maxwell Leadership Team Certified Coach dedicated to helping leaders and teams align purpose, personality, innate talents, and performance.

As Lead Consultant with *From Good to Grace Training & Development*, she designs customized leadership programs, facilitates retreats, and provides executive coaching that transforms team culture and engagement.

With over 25 years of business leadership experience across multiple industries... dentistry, real estate, retail, & hospitality... Brandy blends entrepreneurial insight with academic depth. She holds a Master of Arts in Executive Leadership and is an August 2026 Doctoral Candidate completing her Business Doctorate in Strategic Leadership (DSL) at Liberty University.

As a relatable speaker and strengths-based assessment consultant, Brandy inspires audiences through her diverse lived experiences. She impacts her audience with real world perspective from the highs and lows of entrepreneurship. She understands the hardship of building and rebuilding with creative solutions. Audiences will leave laughing, crying, and eager to take action. Brandy empowers others to lead with authenticity, courage and grace.

Where Brandy Inspires Audiences Most...

Signature Speaking Topics & Programs

Keynote/Workshop/Leadership Experience

1. Leadership Catalysts: Igniting Growth, Engagement & Succession (Keynote or Workshop)

This high-energy session shows leaders how to multiply their impact by developing the people around them. Brandy teaches practical strategies for moving teams from dependence to ownership, increasing engagement, performance, and retention. Leaders walk away with tools to create momentum, build trust, and accelerate growth across their organization.

2. Grace-Fueled Leadership: Building Purpose, Confidence & Resilience (Keynote)

A powerful keynote blending strategy, self-awareness, and grace-centered leadership principles. Brandy helps audiences embrace progress over perfection, lead with clarity, and build teams where people feel safe, empowered, and guided with purpose. Ideal for organizations seeking a healthier culture and stronger leadership pipeline.

3. Strengths-Based Teams: Leveraging Kolbe, CliftonStrengths & Natural Talents (Workshop)

This dynamic workshop helps teams understand how they're uniquely wired to take action, solve problems, and collaborate effectively. Using the Kolbe System™, strengths based assessments, and practical leadership tools, Brandy teaches leaders how to align roles with strengths, reduce conflict, and elevate team performance and cohesion.

4. The Leadership Blueprint: Turning Managers into High-Impact Leaders (Leadership Experience)

Brandy guides participants through the essential competencies of modern leadership... communication, accountability, emotional intelligence, and strategic thinking. Attendees learn practical systems to manage performance, inspire commitment, and develop the next generation of leaders. Perfect for emerging leaders, managers, and multi-location organizations.

5. Elevating Team Culture: Communication, Collaboration & Psychological Safety (Workshop)

A deep-dive into the behaviors, systems, and conversations that create healthy, high-performing workplaces. Brandy equips leaders with practical tools to address conflict, build trust, communicate with clarity, and create environments where team members feel valued, supported, and motivated to deliver their best work.

6. Vision to Execution: Strategic Planning for Leaders Who Get Things Done (Workshop or Leadership Experience)

This session helps leaders translate vision into actionable, attainable goals using structured planning methods. Participants learn how to prioritize effectively, align their team, and maintain momentum through focused systems and accountability. Ideal for organizations needing clarity, alignment, and consistent execution.
