SECTION I. FLAGS

1. General. An Owner may display flags only on his or her Lot and only in compliance with this Section. An Owner may not display flags on the Common Areas, or on any other lands owned or maintained by the Association, for any reason or at any time. An Owner may have one flagpole, or one residence-mounted flag mount, but not both.
2. Prior Approval Required. All flagpoles, flag mounts, and related installations (e.g., flag lighting) must be approved in advance by the Association's architectural committee (the "Architectural Committee"). An Owner desiring to display a permitted flag must submit plans to the Architectural Committee for each installation, detailing the dimensions, type, location, materials, and style/appearance of the flagpole, flag mount(s), lighting and related installations. The Association's Architectural Committee shall have the sole discretion of determining whether such items and installations comply with this Section, subject to any appeal rights that may exist elsewhere in the Association's governing documents or under State law.
3. Additional Requirements Related to Flags.
 - a. Flags must be displayed on an approved flag mount or flagpole. Flags may not be displayed in any other manner.
 - b. No more than one flag at a time may be displayed on a flag mount. No more than two flags at time may be displayed on a flagpole.
 - c. Flags on flagpoles must be hoisted, flown, and lowered in a respectful manner.
 - d. Flags must never be flown upside down and must never touch the ground.
 - e. No mark, sign, insignia, design, or advertising of any kind may be added to a flag.
 - f. If both the U.S. and Texas flags are displayed on a flagpole, they must be of approximately equal size.
 - g. If the U.S. and Texas flags are flown on one pole, the U.S. flag must be the highest flag flown and the Texas flag the second highest.
 - h. Only all-weather flags may be displayed during inclement weather.
 - i. Flags must be no larger than 3'x5' in size.
 - j. Flags may not contain commercial material, advertising, or any symbol or language that may be offensive to the ordinary person.
 - k. A pennant, banner, plaque, sign or other item that contains a rendition of a flag does not qualify as a flag under this Section.
4. Materials and Appearance of Flag Mounts and Flagpoles. A flag mount attached to a dwelling or a freestanding flagpole must be constructed of permanent, long-lasting materials, with a finish

appropriate to the materials (per the discretion of the Architectural Committee) used in the construction of the mount or flagpole and harmonious with the dwelling.

5. **Additional Requirements for Flagpoles.** The following additional requirements shall apply to flagpoles installed on Lots:
 - a. No more than one flagpole may be installed on a Lot;
 - b. The flagpole must be free-standing and installed vertically;
 - c. The flagpole must be no greater than 20 feet in height measured from grade level;
 - d. The location and construction of the flagpole must comply with applicable zoning ordinances, may not be located in any easements (including drainage easements), and must comply with all setback requirements;
 - e. Unless otherwise approved by the Architectural Committee, the location of the pole must be within 10 feet of one of the side-most building lines of the home, and within 10 feet of the front most building line of the home. The Architectural Committee may require the pole to be installed on a particular side or otherwise require a particular location;
 - f. No trees may be removed for pole installation; and
 - g. An Owner must ensure that external halyards (hoisting ropes) used in combination with a flagpole do not create an unreasonable amount of noise.
6. **Lighting of Flag Displays.** Any lights installed for the purpose of illuminating a flag must be pre-approved by the Association. Such light installations must be of a reasonable size and intensity and placed in a reasonable location, for the purpose of ensuring that the lights do not unreasonably disturb or distract other individuals. All flag illumination lighting must be specifically dedicated to that purpose. No other lighting, whether located inside or outside of the residence, may be directed toward a displayed flag for purposes of illuminating the flag (e.g., security flood or spot lights may not be oriented toward a displayed flag).
7. **Maintenance.** An Owner is responsible for ensuring that a displayed flag, flagpole, flag mount(s), lighting and related installations are maintained in good and attractive condition at all times at the Owner's expense. Any flag, flagpole, flag mount, light, or related installation or item that is in a deteriorated or unsafe condition must be repaired, replaced, or removed promptly upon the discovery of its condition.

SECTION II. SOLAR ENERGY DEVICES

1. **Conflict with Other Provisions.** Per state law, this Section controls over any provision in any other Association governing document to the contrary.
2. **Prior Approval Required.** An Owner may install solar energy devices only on property solely owned and solely maintained by the Owner, and only in accordance with the restrictions provided herein. Owners may not install solar energy devices except in accordance with the restrictions provided herein. Prior to installation of any solar energy device, the Owner must submit plans for the device and all appurtenances thereto to the Architectural Committee. The plans must provide an as-built rendering, and detail the location, size, materials, and color of all solar devices, and provide calculations of the estimated energy production of the proposed devices.
3. **Definition.** In this section, "solar energy device" means a system or series of mechanisms designed primarily to provide heating or cooling or to produce electrical or mechanical power by collecting and transferring solar-generated energy. All solar devices not meeting this definition are prohibited.
4. **Prohibited Devices.** Owners may not install solar energy devices that:
 - a. threaten the public health or safety;
 - b. violate a law;

- c. are located on property owned by the Association;
 - d. are located in an area owned in common by the members of the Association;
 - e. are located in an area on the property Owner's property other than:
 - i. on the roof of the home (or of another structure on the Owner's lot allowed under the Association's governing documents); or
 - ii. in a fenced yard or patio owned and maintained by the Owner;
 - f. are installed in a manner that voids material warranties;
 - g. are installed without prior approval by the Architectural Committee; or
 - h. substantially interfere with the use and enjoyment of land by causing unreasonable discomfort or annoyance to persons of ordinary sensibilities. *This determination may be made at any time, and the Architectural Committee may require removal of any device in violation of this or any other requirement.*
5. **Limitations on Roof-Mounted Devices.** If the device is mounted on the roof of the home, it must:
- a. extend no higher than or beyond the roofline;
 - b. be located only on the back of the home -- the side of the roof opposite the street. The Architectural Committee may grant a variance in accordance with state law if the alternate location is substantially more efficient¹;
 - c. conform to the slope of the roof, and have all top edges parallel to the roofline; and
 - d. not have a frame, a support bracket, or visible piping or wiring that is any color other than silver, bronze, or black tone commonly available in the marketplace.
6. **Limitations on Devices in a Fenced Yard or Patio.** If the device is located in a fenced yard or patio, it may not be taller than the fence line.
7. **Additional provisions regarding shingles.** Except as otherwise authorized in writing by the Architectural Committee or Board, provided that the proposed shingles otherwise comply with any other applicable requirements of the dedicatory instruments, the Architectural Committee will not deny an application for shingles if the shingles are:
- a. Designed primarily to:
 - i. be wind and hail resistant;
 - ii. provide heating/cooling efficiencies greater than those provided by customary composite shingles; or
 - iii. provide solar generation capabilities; and
 - b. When installed:
 - i. resemble the shingles used or otherwise authorized for use on property in the subdivision;
 - ii. are more durable than and are of equal or superior quality to the shingles used or otherwise authorized for use on property in the subdivision; and
 - iii. match the aesthetics of the property surrounding the Owner's property.

SECTION III. RAIN BARRELS AND RAINWATER HARVESTING SYSTEMS

1. **Pre Approval Required.** Owners may install rain barrels or rainwater harvesting systems only with pre-approval from the Association, and only in accordance with the restrictions described in this Section.

¹ If an alternate location increases the estimated annual energy production of the device more than 10 percent above the energy production of the device if located on the back of the home, the Association will authorize an alternate location in accordance with these rules and state law. It is the Owner's responsibility to determine and provide sufficient evidence to the Architectural Committee of all energy production calculations. All calculations must be performed by an industry professional.

2. **Prohibited Locations.** Owners are prohibited from installing rain barrels or rainwater harvesting systems, or any part thereof, in the following locations:
 - a. on property owned by the Association;
 - b. on property owned in common by the members of the Association; or
 - c. on property between the front of the Owner's home and an adjoining or adjacent street.
3. **Pre-Approval Required for All Rain Barrels or Rainwater Harvesting Systems.** Prior to any installation of any rain barrel or rain harvesting system (or any part thereof), prior written permission must be received from the Architectural Committee.

Owners wishing to install such systems must submit plans showing the proposed location, color(s), material(s), shielding, dimensions of the proposed improvements, and whether any part of the proposed improvements will be visible from the street, another lot, or a common area (and if so, what part(s) will be visible). The location information must provide information as to how far (in feet and inches) the improvement(s) will be from the side, front, and back property line of the Owner's property.

4. **Color and Other Appearance Restrictions.** Owners are prohibited from installing rain barrels or rainwater harvesting systems that:
 - a. are of a color other than a color consistent with the color scheme of the Owner's home;
 - b. display any language or other content that is not typically displayed by such a barrel or system as it is manufactured; or
 - c. are not constructed in accordance with plans approved by the Association.
5. **Additional Restrictions if Installed in Side Yard or Improvements are Visible.** If any part of the improvement is installed in a side yard, or will be visible from the street, another lot, or common area, the Association may impose restrictions on the size, type, materials, and shielding of, the improvement(s) (through denial of plans or conditional approval of plans).

SECTION IV. RELIGIOUS DISPLAYS

1. **General.** State statute allows owners to display certain religious items in the owner's entry, and further allows the association to impose certain limitations on such entry displays. The following rule outlines the limitations on religious displays in an owner's entry area. Notwithstanding any other language in the governing documents to the contrary, residents may display on the entry door or doorframe of the resident's dwelling one or more religious items, subject to the restrictions outlined in Paragraph 2 below. Allowed religious displays are limited to displays motivated by the resident's sincere religious belief.
2. **Prohibited Items.** No religious item(s) displayed in an entry area may:
 - a. threaten the public health or safety;
 - b. violate a law;
 - c. contain language, graphics, or any display that is patently offensive to a passerby;
 - d. be located anywhere other than the main entry door or main entry door frame of the dwelling;
 - e. extend past the outer edge of the door frame of the door; or
 - f. have a total size (individually or in combination) of greater than 25 square inches.
3. **Remedies for Violation of this Section.** Per state statute, if a religious item(s) is displayed in violation of this Section, the Association may remove the offending item without prior notice. This remedy is in addition to any other remedies the Association may have under its other governing documents or State law.
4. **Seasonal Religious Holiday Decorations.** This rule will not be interpreted to apply to otherwise-permitted temporary seasonal religious holiday decorations such as Christmas lighting or

Christmas wreaths. The Board has the sole discretion to determine what items qualify as Seasonal Religious Holiday Decorations and may impose time limits and other restrictions on the display of such decorations. Seasonal Religious Holiday Decorations must comply with all other provisions of the governing documents, but are not subject to this Section.

5. **Other displays.** Non-religious displays in the entry area to an owner's dwelling and all displays (religious or otherwise) outside of the entry area to an owner's dwelling are governed by other applicable governing document provisions.

SECTION V. RECORD PRODUCTION

1. **Effective Date.** Notwithstanding any language to the contrary and regardless of date of adoption of these rules, the effective date of this Section is January 1, 2012.
2. **Conflict with Other Provisions.** Per state law, this Section controls over any provision in any other Association governing document to the contrary to the extent of any conflict.
3. **Request for Records.** The Owner or the Owner's authorized representative requesting Association records must submit a written request by certified mail to the mailing address of the Association or authorized representative as reflected on the most current filed management certificate. The request must contain:
 - a. sufficient detail to describe the books and records requested, and
 - b. an election either to inspect the books and records before obtaining copies or to have the Association forward copies of the requested books and records,
4. **Timeline for record production.**
 - a. **If inspection requested.** If an inspection is requested, the Association will respond within 10 business days by sending written notice by mail, fax, or email of the date(s) and times during normal business hours that the inspection may occur. Any inspection will take place at a mutually-agreed time during normal business hours, and the requesting party must identify any books and records the party desires the Association to copy.
 - b. **If copies requested.** If copies are requested, the Association will produce the copies within 10 business days of the request.
 - c. **Extension of timeline.** If the Association is unable to produce the copies within 10 business days of the request, the Association will send written notice to the Owner of this by mail, fax, or email, and state a date, within 15 business days of the date of the Association's notice, that the copies or inspection will be available.
5. **Format.** The Association may produce documents in hard copy, electronic, or other format of its choosing.
6. **Charges.** Per state law, the Association may charge for time spent compiling and producing all records, and may charge for copy costs if copies are requested. Those charges will be the maximum amount then-allowed by law under the Texas Administrative Code. The Association may require advance payment of actual or estimated costs. As of July, 2011, a summary of the maximum permitted charges for common items are:
 - a. Paper copies - 10¢ per page
 - b. CD - \$1 per disc
 - c. DVD - \$3 per disc
 - d. Labor charge for requests of more than 50 pages - \$15 per hour
 - e. Overhead charge for requests of more than 50 pages - 20% of the labor charge
 - f. Labor and overhead may be charged for requests for fewer than 50 pages if the records are kept in a remote location and must be retrieved from it
7. **Private Information Exempted from Production.** Per state law, the Association has no obligation

to provide information of the following types:

- a. Owner violation history
 - b. Owner personal financial information
 - c. Owner contact information other than the owner's address
 - d. Information relating to an Association employee, including personnel files
8. Existing Records Only. The duty to provide documents on request applies only to existing books and records. The Association has no obligation to create a new document, prepare a summary of information, or compile and report data.

SECTION VI. RECORD RETENTION

1. Effective Date. Notwithstanding any language to the contrary and regardless of the date of adoption of these rules, the effective date of this Section relating to record retention is January 1, 2012.
2. Conflict with Other Provisions. Per state law, this Section relating to record retention controls over any provision in any other Association governing document to the contrary to the extent of any conflict.
3. Record Retention. The Association will keep the following records for at least the following time periods:
 - a. Contracts with terms of at least one year; 4 years after expiration of contract
 - b. Account records of current Owners; 5 years
 - c. Minutes of Owner meetings and Board meetings; 7 years
 - d. Tax returns and audits; 7 years
 - e. Financial books and records (other than account records of current Owners); 7 years
 - f. Governing documents, including Articles of Incorporation/Certificate of Formation, Bylaws, Declaration, Rules, and all amendments; permanently.
4. Other Records. Records not listed above may be maintained or discarded in the Association's sole discretion.

SECTION VII. PAYMENT PLANS

1. Effective date. Notwithstanding any language to the contrary and regardless of date of adoption of these rules, the effective date of this Section relating to payment plans is January 1, 2012.
2. Eligibility for Payment Plan.

Standard payment plans. An Owner is eligible for a Standard Payment Plan (see Paragraph 3 below) *only* if:

- a. The Owner has not defaulted under a prior payment plan with the Association in the prior 24-month period;
- b. The Owner requests a payment plan no later than 30 days after the Association sends notice to the Owner via certified mail, return receipt requested under Property Code §209.0064 (notifying the owner of the amount due, providing 30 days for payment, and describing the options for curing the delinquency). Owner is responsible for confirming that the Association has received the Owner's request for a payment plan within this 30-day period. It is recommended that requests be in writing; and

- c. The Association receives the executed Standard Payment Plan and the first payment within 15 days of the Standard Payment Plan being sent via email, fax, mail, or hand delivered to the Owner.

Other payment plans. An Owner who is not eligible for a Standard Payment Plan may still request that the Association's Board grant the Owner an alternate payment plan. Any such request must be directed to the person or entity currently handling the collection of the debt (i.e., the property manager or Association's attorney). The decision to grant or deny an alternate payment plan, and the terms and conditions for any such plan, will be at the sole discretion of the Association's Board.

3. Standard Payment Plans. The terms and conditions for a Standard Payment Plan are:

- a. Term. Standard Payment Plans are for a term of 6 months. (See also Paragraph 6 for Board discretion involving term lengths.)
- b. Payments. Payments will be made at least monthly and will be roughly equal in amount or have a larger initial payment (small initial payments with a large balloon payment at the end of the term are not allowed). Payments must be received by the Association at the designated address by the required dates and may not be rejected, returned or denied by the Owner's bank for any reason (i.e., check returned NSF). The association may require ACH (automated/auto debit) payments under any plan.
- c. Assessments and other amounts coming due during plan. The Owner will keep current on all additional assessments and other charges posted to the Owner's account during the term of the payment plan, which amounts may but need not be included in calculating the payments due under the plan.
- d. Additional charges. The Owner is responsible for reasonable charges related to negotiating, preparing and administering the payment plan, and for interest at the rate of ten percent (10%) per annum, all of which shall be included in calculating the total amount due under the plan and the amount of the related payments. The Owner will not be charged late fees or other charges related to the delinquency during the time the owner is complying with all terms of a payment plan.
- e. Contact information. The Owner will provide relevant contact information and keep same updated.
- f. Additional conditions. The Owner will comply with such additional conditions as stated in the plan document.
- g. Default. The Owner will be in default under the plan if the Owner fails to comply with any requirements of these rules or the payment plan agreement.

4. Account Sent to an Attorney/Agent for Formal Collections. An Owner does not have the right to a Standard Payment Plan after the 30-day timeframe referenced in Paragraph 2(b). Once an account is sent to an attorney or agent for collection, the delinquent Owner must communicate with that attorney or agent to arrange for payment of the debt. The decision to grant or deny the Owner an alternate payment plan, and the terms and conditions of any such plan, is solely at the discretion of the Board.

5. Default. If the Owner defaults under any payment plan, the Association may proceed with any collection activity authorized under the governing documents or state law without further notice. If the Association elects to provide notice of default, the Owner will be responsible for all fees and costs associated with the drafting and sending of such notice. All late fees and other charges that

otherwise would have been posted to the Owner's account may also be assessed to the Owner's account in the event of a default.

Any payments received during a time an Owner is in default under any payment plan may be applied to out-of-pocket costs (including attorneys fees for administering the plan), administrative and late fees, assessments, and fines (if any), in any order determined by the Association, except that fines will not be given priority over any other amount owed but may be satisfied proportionately (e.g. a \$100 payment may be applied proportionately to all amounts owed, in proportion to the amount owed relative to other amounts owed).

6. **Board Discretion.** The Association's Board may vary the obligations imposed on Owners under these rules on a case-by-case basis, including curtailing or lengthening the payment plan terms (so long as the plan is between 3 and 18 months), as it may deem appropriate and reasonable. The term length set forth in Paragraph 3 shall be the default term length absent Board action setting a different term length. No such action shall be construed as a general abandonment or waiver of these rules, nor vest rights in any other Owner to receive a payment plan at variance with the requirements set forth in these rules.
7. **Legal Compliance.** These payment plan rules are intended to comply with the relevant requirements established under Texas Property Code §209. In case of ambiguity, uncertainty, or conflict, these rules shall be interpreted in a manner consistent with all such legal requirements.

SECTION VIII. VOTING

1. **Form of Proxy or Ballot.** The Board may dictate the form for all proxies, ballots, or other voting instruments or vehicles. No form other than the form put forth by the Board will be accepted.
2. **Deadline for Return of Voting Paperwork.** The Board may establish a deadline, which may be communicated on the proxy form, absentee ballot, or otherwise communicated to the membership, for return of electronic ballots, absentee ballots, proxies, or other votes.

SECTION IX. TRANSFER FEES

1. **Transfer Fees.** In addition to fees for issuance of a resale certificate and any updates or re-issuance of the resale certificate, transfer fees are due upon the sale of any property in accordance with the then-current fee schedule, including any fee charged by the Association's managing agent. It is the owner/seller's responsibility to determine the then-current fees. Transfer fees not paid at or before closing are the responsibility of the purchasing owner and will be assessed to the owner's account accordingly. The Association may require payment in advance for issuance of any resale certificate or other transfer-related documentation.

If a resale certificate is not requested and a transfer occurs, all fees associated with Association record updates related to the transfer will be the responsibility of the new owner and may be assessed to the unit's account at the time the transfer becomes known. These fees will be set according to the then-current fee schedule of the Association or its managing agent, and may be equivalent to the resale certificate fee or in any other amount.

2. **All transfer fees shall be collectible in the same manner as assessments, including lien and other assessment collection rights, to the maximum extent allowed by law. Fees may include working capital or reserve funding fees, resale certificate fees, resale certificate update fees, rush fees, and other such fees.**

SECTION X. EMAIL ADDRESSES

1. **Email Addresses.** An Owner is required to keep a current email address on file with the Association if the Owner desires to receive email communications from the Association. Failure to supply an email address to the Association or to update the address in a manner required by these rules may result in an Owner not receiving Association emails. The Association has no duty to request an updated address from an Owner, in response to returned email or otherwise. The Association may require Owners to sign up for a group email, email list serve or other such email subscription service, or to utilize an email registration vehicle of the Board's choosing, in order to receive Association emails.
2. **Updating Email Addresses.** An Owner is required to notify the Association when email addresses change. Such notice must be in writing and delivered to the Association's managing agent by fax, mail, or email. In lieu of this in the Association's discretion, if available, an Owner must update his email address through the Association's website, list server, or other vehicle as directed by the Association. Any notice of email change provided to the Association's manager must be for the sole purpose of requesting an update to the Owner's email address. For example, merely sending an email from a new email address, or including an email address in a communication sent for any other purpose other than providing notice of a new email address, does not constitute a request to change or add the Owner's email in the records of the Association.

Reference is hereby made to that certain Declaration of Covenants, Conditions and Restrictions for Treemont Residential Area (the "Original Declaration"), filed at Vol. 8612, Pg. 661 in the Deed Records of Travis County, Texas; and the Supplemental Declaration of Covenants, Conditions and Restrictions for and Notice of Addition of Land to Treemont Residential Area (the "Supplemental Declaration"), filed at Vol. 12756, Pg. 727 in the Official Public Records of Travis County, Texas (together with all amendments and additional supplemental documents thereto, the "Declaration").

WHEREAS the Declaration provides that owners of lots subject to the Declaration are automatically made members of Treemont Homeowners Association, Inc. (the "Association");

WHEREAS the Association, acting through its architectural control committee (the "Committee"), is authorized to oversee all aspects of the construction and placement of improvements on lots and exterior alterations and to grant variances from compliance with the deed restrictions pursuant to Article VII of the Original Declaration;

WHEREAS the Committee has agreed to grant a variance from the deed restrictions for the Lot with regard to certain architectural features and/or other improvements, and desires to put the public on notice of the terms and conditions of such variance;

THEREFORE notice is hereby provided that a variance has been, and hereby is, granted by the Committee for the Lot, as further specified on Exhibit "A" attached hereto. This variance shall be binding on all successors and assigns of the Association and all future owners of the Lot.

The Lot for which the variance is granted is described as follows:

Lot: Lot 36, Block A, of TREEMONT PHASE B, SECTION FIVE, an Addition in TRAVIS County, Texas, according to the map or plat thereof; recorded in Book 94, Page 4-8, of the Plat Records of TRAVIS County, Texas. (Locally known as 1209 Grosvenor Court, Austin, Texas 78746.)

EXHIBIT "A"

Approval of Variance

Current Lot Owner(s): Louis Leichter

Provision(s) for which Variance Granted: Supplemental Declaration Section 4.5 regarding setback requirements.

Approved Variance: Plans submitted by Leichter for a playhouse structure, as amended by submittal dated February 14, 2012, were approved by the Architectural Committee subject to documentation of the variance granted. The Committee hereby grants a variance to the setback requirements, to allow the playhouse structure to slightly encroach into the setback area of the Lot.

The Committee grants this variance in light of the specific facts surrounding the variance request, including: (i) that Leichter has worked with his adjacent neighbors to alter the plans for the playhouse structure to alleviate neighbor concerns; and (ii) as of the date of this variance all surrounding neighbors have expressed their consent to the playhouse structure in its proposed location (which necessitates a setback variance).

Applicability: This variance only applies to the approved playhouse as constructed on the Lot. It does not transfer to additional or alternate improvements. In the event the Lot owner(s) desire to install additional or alternate improvements, or alter the playhouse in the future (including change of color, materials, additional installations, or other alterations), all terms of the deed restrictions must be complied with.

Reference is hereby made to that certain Declaration of Covenants, Conditions and Restrictions for Treemont Residential Area filed at Volume 8612, Page 661 of the Deed Records of Travis County, Texas; that certain First Amendment to the Declaration of Covenants, Conditions and Restrictions for Treemont Residential Area filed at Volume 09188, Page 0082 of the Real Property Records of Travis County, Texas (the "First Declaration Amendment"); that certain Amendment of Declaration of Covenants, Conditions and Restrictions for Treemont Residential Area filed at Volume 11744, Page 1211 of the Real Property Records of Travis County, Texas; that certain Supplemental Declaration of Covenants, Conditions and Restrictions for, and Notice of Addition of Land to, Treemont Residential Area filed at Volume 12756, Page 727 of the Real Property Records of Travis County, Texas; that certain First Amendment to Supplemental Declaration of Covenants, Conditions and Restrictions for, and Notice of Addition of Land to, Treemont Residential Area filed at Volume 12764, Page 0113 of the Real Property Records of Travis County, Texas; that certain Second Amendment to Supplemental Declaration of Covenants, Conditions and Restrictions for, and Notice of Addition of Land to, Treemont Residential Area filed at Volume 12776, Page 0498 of the Real Property Records of Travis County, Texas; that certain Certificate filed at Volume 13019, Page 120 of the Real Property Records of Travis County, Texas, and that certain Notice of Withdrawal of Land From the Provisions of Covenants, Conditions and Restrictions for Treemont Residential Area, filed at Volume 13068, Page 1853 of the Real Property Records of Travis County, Texas (cumulatively, along with any other amendments filed of record, the "Declaration").

WHEREAS the Declaration provides that owners of lots subject to the Declaration are automatically made members of the Treemont Homeowners Association, Inc. (the "Association");

WHEREAS Lots 2, 3, 4, 8, 9, & 10, Block A, Section 2, Treemont Phase B (the "Subject Lots") are all subject to and governed by the Declaration, and are specifically subject to the language contained in Article III, Section 3.19(B)-(D), as added and amended in the First Declaration Amendment (the "Fence Restrictions");

WHEREAS the Fence Restrictions currently provide, in part, that all fencing constructed on the Subject Lots by the Declarant under the Declaration is to be maintained by the Association and cannot be maintained, removed or altered by an owner of the Subject Lots without the approval of the Association's Architectural Committee (the "TAC") and, in some instances, the further approval of the Heritage Square Architectural Committee (the "HSAC"); and

WHEREAS the owners of the Subject Lots, the Association, acting both through its Board of Directors and the TAC, and the Heritage Square Office Park Owners Association, Inc., acting both through its Board of Directors and the HSAC (the "Affected Parties"), are the only parties affected by the Fence Restrictions, and desire to enter into this Agreement Related to Fence Maintenance to modify the terms of the Fence Restrictions;

THEREFORE, in consideration of the mutual promises made herein and \$10.00 in hand paid, the receipt and sufficiency of which is hereby acknowledged, the Affected Parties AGREE as follows:

1. Wooden fencing on certain lots. The Declarant under the Declaration constructed and placed wooden fencing on the (Northern) boundary lines of Lots 9 and 10, Block A, Section 2, Treemont Phase B, and on the (Southern) boundary lines of Lots 3 and 4, Block A, Section 2, Treemont Phase B (cumulatively, the "Wooden Fencing")(see Exhibit "A" for approximate locations). As of the date of this Agreement, each owner of a Subject Lot shall be responsible for maintaining, repairing and replacing the Wooden Fencing located on his lot.

In the event an owner of a Subject Lot desires to replace the portion of the Wooden Fencing located on his lot, (a) the owner of the Subject Lot shall submit a written application to the TAC, as required for proposed improvements under the Declaration, to replace the Wooden Fencing with fencing that complies with the general requirements under the Declaration (*see, e.g.*, Declaration §§3.19.A. & 4.12); (b) the TAC shall approve the application if the proposed fence complies with the Declaration and the TAC rules; and (c) once the TAC approval is obtained, the owner shall contract and pay for the related work. The owner completing such work shall ensure that it does not affect the structural integrity of any adjoining section of fence.

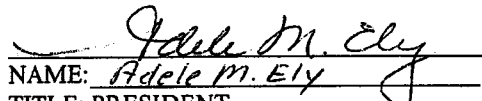

With regard only to the first time after this Agreement that any particular portion of the Wooden Fencing is replaced by an owner of a Subject Lot, and subject to the replacement fence being approved by the TAC and constructed in compliance with the Declaration and this Agreement, within 30 days of the construction of such fence the Association shall deliver to the owner of the Subject Lot a cash payment in the amount of \$27.90 per linear foot of fence replaced to defray the cost of such initial replacement.

2. Iron fencing on certain lots. Iron fencing has been constructed by the Declarant along those portion of the property lines for Lots 1, 2, 10, 11 and 12, Block A, Section 2, Treemont Phase B, immediately adjacent to Montebello Road (cumulatively, the "Iron Fencing")(see Exhibit "A" for approximate location). This Agreement does not and shall not affect the Iron Fencing, including, as of the date of this Agreement, the right and obligation of the Association to maintain the Iron Fencing, except as expressly provided in paragraph 3 below.
3. No approval of Heritage Square Architectural Committee required for alteration to fencing. The Association shall not be required to request or obtain the approval of the HSAC prior to replacing, repairing, maintaining, or otherwise altering the Iron Fencing. The owners of Lots 9 and 10, Block A, Section 2, Treemont Phase B, shall not be required to request or obtain the approval of the HSAC prior to replacing, repairing, maintaining, or otherwise altering the Wooden Fencing located on such lots, so long as the fencing located along the Northern boundary of such lots is of a consistent design and appearance.
4. Agreement controls over Declaration. The parties to this Agreement agree that, in the event this Agreement conflicts with any provision contained in the Declaration, this Agreement shall control.

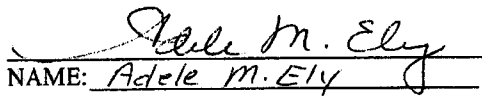

5. Multiple Counterparts. This Agreement may be executed in multiple counterparts, and all such counterparts, taken together, shall constitute one fully-executed and binding agreement.

AGREED TO and ACCEPTED as of the dates indicated below.
