***NEW* Wolf Tooth
Q-Factor Adjustable Single and Dual
Sided Pedals NOW IN STOCK!**

CTRL Trail Dual Sided

An entirely new approach to trail pedals. Designed for unparalleled control and power no matter which trail you choose. No other SPD-compatible trail bike pedal has a platform that locks you in and supports you like the CTRL Trail Clipless Pedal with user adjustable Q factor.

DEL Road and Gravel Single Sided

A groundbreaking new design, refined with input from our professional gravel athletes to perform at the highest level as the ultimate raceday pedal. They are significantly lighter, have a lower stack height, user adjustable Q factor, and feature more platform area than any other two-bolt clipless race pedal. It's road pedal feel and power transfer with XC and gravel race shoes in any and all conditions.
