

Grow your revenue without losing your soul

A series for visionary business leaders

This weekly, in person series is for founders and business owners who are ready to grow differently.

Join a collective of bold small business owners embracing a new model

To thrive without grind, hustle, or burnout

Welcome home.

The Mathey Center
for People and Nature
at Burley Farms
Epping, NH

MARCH 24
to JUNE 23

This is for you if you are...

- Ready to dramatically grow your business in 2026
- Tired of spamming customers, infusing urgency, or engaging in pushy sales
- Yearning for clear guidance and a supportive community
- Done working yourself senseless
- Feeling like traditional business 'mindset' advice is falling short

Over 10 weeks, we will...

- Define what aligned business growth looks like
- Attract new customers with confidence and clarity
- Build the marketing plan that supports that alignment
- Exit the trap of workaholism
- Identify and remove old patterns, patriarchal programming and stuck emotions

We are a community of change makers harnessing business to create a future we want to live in.
