Premier Wedding DJ Service with Smilestones

A customized entertainment experience built around your vision — designed to create a super fun, high-energy celebration for your family and friends, filled with life-long memories.

I work directly with you from planning through the final song of the night, backed by years of experience at hundreds of weddings and stellar reviews, with only one wedding booked per date to ensure full focus on your celebration.

Reception only
\$2500

Ceremony + Reception
\$2900

Includes all of the following:

 Unlimited hours for a seamless celebration without watching the clock	 Multiple zone audio coverage for wherever sound is needed	 Professional, high-quality equipment for consistent sound, with full system backups	 Emcee/MC service for announcements & hosting of activities; wireless mic for speeches	 Planning consultation & support to build your custom soundtrack & schedule
 All music including all pre-selected requests; custom mixes available	 Dance floor lights with intelligent lighting that moves with the music	 High-energy mixing during dancing to maintain momentum and crowd energy	 Personalized display on DJ booth screen with couple's names or initials (when this booth is available for use at the venue)	 Highlight video capturing special moments and dance floor energy, delivered shortly after your wedding
 Ceremony flawless audio; wireless mics; battery-powered system; DJ attends rehearsal if available	 Travel free within greater Cincinnati area	 DJ equipment setup & breakdown	 Bonus Smile included – a curated enhancement to elevate the dance floor; selected during planning meeting	 Reserve date with signed contract & \$100 initial payment balance due day before wedding

Let's craft your perfect wedding celebration – reach out today!
