GEAR INFO

To achieve highly reliable professional sound quality, I invest in only industry-leading, professional-grade equipment to deliver crisp, rich audio quality to my clients in any venue or environment -- whether giving a toast, playing a couple's elegant first dance ballad, or playing a dance floor banger with thumping bass!

MAIN SPEAKERS: JBL SRX 815P 2000 watt 15" powered speakers on heavy duty tripods; JBL EON 615 1000 watt 15" powered speakers

MUSIC: Pioneer DDJ-1000 4-track Controller, Apple Macbook Pro, Pioneer rekordbox DJ software, highest quality 320Kbps music files

MICROPHONES: Shure wired and wireless (handheld and lavalier) microphones

LIGHTING OPTIONS: Chauvet DJ lights for dancing include Wash FX2's + Innospot moving heads, or Gigbar 2 Lighting System; Uplighting includes battery powered and wireless Ape Laps ApeLight Maxi's; Custom Monogram uses American DJ Ikon Profile projector

GEAR SETUP

*I organize my equipment for a small footprint with a professional look, without any gaudy or tacky features.
Here are a few examples of my equipment in various venues*
