FRONT COVER PHOTOGRAPHY BY BRIAN MC CALMONT

We're proud to sponsor the 2026 Loughside Festival!

At Fibrus Broadband, we believe in the power of connecting communities. Whether that's through Full Fibre broadband, or celebrating local culture, music and talent - connection is the name of the game.

Just like the Loughside Festival, we are committed to strengthening local connections and enriching the communities we serve. We hope everyone has a fantastic, memorable festival!

Check your postcode

Or call **028 9099 3230**

CHAIRMAN'S WELCOME

On behalf of everyone involved with the Warrenpoint Loughside Festival Committee, it is my great pleasure to welcome you to the 2026 Warrenpoint Loughside Festival.

Each year our festival continues to grow, and 2026 is no exception. Building on the success of recent years, we are proud to present an exciting programme of events celebrating everything that makes our town such a special place. From family fun and live entertainment to community events and cultural celebrations, there truly is something for everyone to enjoy.

This year's festival has been made possible through the outstanding support of our loyal local businesses, along with many new sponsors from further afield. Their generosity, encouragement, and belief in our vision have enabled us to expand the festival and create even more opportunities for our community to come together. We are delighted to welcome several new partnerships this year.

Firstly, I am delighted to announce **Fibrus Broadband** as our Main Business Sponsor for 2026.

Fibrus is a fantastic fit for our community festival, with a strong commitment to connecting people and supporting the towns, villages, and communities they serve. These values are at the very heart of what our festival is all about, and we are proud to have them supporting us this year.

I would also like to thank the **Warrenpoint Burren & Rostrevor Chamber of Commerce** for their continued support and for working alongside **Omeath Tidy Towns** to secure funding through the **PEACEPLUS Programme**.

We are especially pleased to welcome our friends from Omeath Tidy Towns as festival partners once again. Together, we will present this year's spectacular fireworks display, and we look forward to welcoming their members to several festival events as part of the PEACEPLUS Cross-Border Initiative. This exciting partnership reflects the strong community links that continue to grow across Carlingford Lough.

None of this would be possible without the generous support of **ChangeMakers**, our Main Sponsor **Fibrus Broadband**, our business sponsors, funding partners, and everyone who has contributed to making this year's festival a reality.

I would also like to extend my sincere thanks to **Newry, Mourne & Down District Council**, our volunteers, committee members, performers, sponsors, local organisations, and everyone in the community who has given their time, energy, and support. The Warrenpoint Loughside Festival belongs to the people of Warrenpoint, and it is your enthusiasm and involvement that make it such a memorable occasion year after year.

Whether you are a lifelong resident, returning home, or visiting Warrenpoint for the first time, I hope you enjoy everything the 2026 Warrenpoint Loughside Festival has to offer. Thank you for being part of this wonderful celebration. I wish you all a fantastic week filled with fun, friendship, and lasting memories.

I look forward to seeing you throughout the festival.

Tommy Mulligan
