

OTTERDALE ROAD DRAINAGE IMPROVEMENTS PROJECT CROSSING 3 OTTERDALE BRANCH

www.Chesterfield.gov/RoadProjects

County Project Number: JL11948C1

CONSTRUCTION IN PROGRESS

The Otterdale Road Drainage Improvements Project along Otterdale Road between Woolridge Road and Genito Road started construction in March 2022. The purpose of this project is to reduce roadway flooding at the Horsepen Creek, Blackman Creek and Otterdale Branch crossings of Otterdale Road.

For additional project information and location maps, please visit the project website at www.OtterdaleRoadDrainageImprovements.com

PUBLIC PARDON OUR DUST MEETING

Tuesday, April 11, 2023

6 – 7:30 P.M.

Cosby High School

14300 Fox Club Parkway, Midlothian, VA 23112

PLEASE JOIN US

The purpose of this meeting is to inform interested citizens about construction impacts, detour routes and schedules for the third phase of the project, which is the closure of Otterdale Road at Otterdale Branch crossing. This meeting will give residents and community members an opportunity to ask questions. If you are not able to attend, the meeting materials, including the presentation, will be available on the project website.

- **Construction is currently ahead of schedule**
- **The following are scheduled for the first week in May:**
 - **Blackman Creek detour to be lifted**
 - **Otterdale Branch detour to begin**
