BRECKENRIDGE MOUNTAIN METROPOLITAN DISTRICT

2024 BUDGET MESSAGE

Breckenridge Mountain Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established to provide parking areas and/or structures, transportation, water and distribution systems, streets, bridges, parks and recreation, and other improvements needed for the area.

The District has no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

2024 BUDGET STRATEGY

Breckenridge Mountain Metropolitan District has joined with Alpine Metropolitan District in adopting a consolidated service plan. Under this consolidated service plan, Alpine is the “service district” and Breckenridge Mountain is the “financing district.” As such, Alpine Metropolitan District is responsible for managing the construction and operation of facilities and improvements needed for the Breckenridge Mountain area and Breckenridge Mountain Metropolitan District is responsible for providing the funding and tax base needed to support the financing plan for capital improvements. The District issued Unlimited Tax General Obligation Bonds in 2010 and 2016. The 2016 Bonds were issued to refund general obligation bonds issued in 2006 and retire two Tax Supported Loan Facilities issued in 2008 and to obtain new money which has been used to construct infrastructure improvements. The District issued Unlimited General Obligation Bonds in September 2020 to refund the 2010 Bonds to eliminate a balloon payment due in 2039 and take advantage of historically low interest rates in the bond market. The District is levying a debt service property tax to pay debt service payments on its bonds.

Breckenridge Mountain Metropolitan District will also utilize a portion of the property taxes it collects to pay its obligations related to ongoing operations provided by Alpine Metropolitan District under the Intergovernmental Agreement between the Districts.

ALPINE METROPOLITAN DISTRICT

2024 BUDGET MESSAGE

Alpine Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established to provide parking areas and/or structures, transportation, water and distribution systems, streets, bridges, parks and recreation, and other improvements needed for the area.

The District has no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

2024 BUDGET STRATEGY

Alpine Metropolitan District is the “service” district in a dual district structure whereby its primary sources of revenues are contract fees received from the companion “financing” districts, Breckenridge Mountain Metropolitan District pursuant to an IGA and Breckenridge Mountain Metropolitan District Subdistrict A pursuant to a District Coordinating Services Agreement. The District will use these revenues along with various user fees to finance the cost of the infrastructure improvements and management of the recreation improvements. Recreation and transportation improvements were accepted by the District in November 2019 and the District assumed management of the recreation assets as of April 2021. The District anticipates managing transportation improvements constructed by Breckenridge Mountain Metropolitan District Subdistrict A following completion in 2025.
