ALPINE METROPOLITAN DISTRICT

2019 BUDGET MESSAGE

Alpine Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established to provide parking areas and/or structures, transportation, water and distribution systems, streets, bridges, parks and recreation, and other improvements needed for the area.

The District has no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

2019 BUDGET STRATEGY

Alpine Metropolitan District is the “service” district in a dual district structure whereby its primary sources of revenues are contract fees received from the companion “financing” district, Breckenridge Mountain Metropolitan District pursuant to an IGA. The District will use these revenues along with various user fees to finance the cost of the infrastructure improvements. A large infrastructure project to regrade and pave Ski Hill Road that began in October 2016 was completed in October 2018.
