### 2021 BUDGET MESSAGE

River Park Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established to supply the necessary services of water, sanitary sewer and parks and recreation facilities to the constituents of the District.

The District has no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

### 2021 BUDGET STRATEGY

The District's primary function budgeted for 2021 is to levy and collect property taxes (based on a 45.000 mill rate gallagherized) which will be used to pay the general and administrative expenses and debt service on the 2009 Bonds.

The District issued limited tax general obligation refunding bonds in 2009 and the proceeds were used to repay the developer for infrastructure acquisition.

Although the District has the ability under its service plan to provide a broad range of services, the majority of the municipal-type services will actually be provided by the Town of New Castle and the District's only responsibility will be to pay general and administrative expenses and to pay the debt service requirements of the bonds.
