Dear Zephyr Christian Family,

Starting on Sunday, November 1st, Zephyr Christian Church will be going to two morning worship services! Let me first tell you why and then tell you what to expect.

WHY? The good news is that our church is growing – we are averaging 10 to 20 percent higher worship attendances this year than last year! We don't want to put a man-made barrier up resisting or preventing what God wants to do! So we have taken into consideration the seating for worship, maintaining an area for meet and greet and fellowship in the back, and also the parking we have available and have concluded that the best thing to do is to start a second worship service.

WHAT TO EXPECT – Our first service will start at 9 AM, and be a little bit shorter of a service...around 50 minutes. There will be a little less music but still a full sermon, and communion and offering will happen at the end of the service. We will not offer any children's classes during this service but children's activity sheets will be available for any children in attendance. This service is a great option for those who have other plans later in the day or just enjoy getting an early start.

The second service will start at 10:15 AM and will be a little bit longer of a service, ending around 11:30. This service will have more music and the sermon will have all the parts I forgot to say during the first service ;-). Communion and offering will take place toward the start of the second service so that volunteers and servers don't have to stick around for two full services. Kidz Church and Preschool care will be provided during the second service. This service is a great option for families and those who don't like to start their day so early or struggle to get the kids ready.

You will be hearing more about this in the weeks to come, but please pray for our church as we go through this transition. We need more volunteers (greeters, servers, A/V, etc.) and at the start will be asking more from our current volunteers. So be grateful and be gracious!

If you have questions or if you would like to step up and help us by volunteering, please contact one of the Elders.

Jon
