

# ZEALOUS GROOVES

Electronic Press Kit (EPK)

## Band Overview

Zealous Grooves is a groove-driven live music duo delivering high-energy performances built on tight rhythm, expressive vocals, and dynamic guitar and bass interplay. Designed for flexibility and long-form live sets, the band performs as a streamlined duo with the option to expand to a trio by adding a hired drummer. With a sound rooted in feel, movement, and audience connection, Zealous Grooves is well-suited for clubs, lounges, bars, and themed events. Their adaptable setup allows them to scale effortlessly from intimate rooms to larger stages while maintaining a polished, professional presentation.
