SETTING THE
FOUNDATION

When we are consciously aware that God is compassionate, and we are created in His image; we will be able to reciprocate that same compassion towards others.

SETTING THE
FOUNDATION

Some of us have been misinformed about Jesus Christ, and others have not been informed about Him at all. In this book, we will Re-Present Jesus Christ to some and introduce Him as life to others.

We must choose Christ as the center of every aspect of our lives.

This book will enlighten us of how Compassionate and Loving our God is, which His Son, Jesus Christ, demonstrated to us at the cross. He is a God of Grace. He is caring and approving of us, but at the same time, He is a God of Order and Justice. He is Holy, Righteous, and Truth. He is Merciful and Forgiving.

We must realize who God is and accept, believe, and walk-in what Jesus Christ has completed for us at the cross. This is God, who reconciled us back to Himself through Jesus Christ. 2 Corinthians 5:18. "When we are consciously aware that God is compassionate, and we are created in His image; we will be able to reciprocate that same compassion toward others." God longs for us to immerse ourselves in His love so we will be able to love ourselves as well as others.

When we understand God's grace, we can interpret where sin abounded, and grace did much more abound, according to Romans 5:20. Through Jesus Christ, God has made us righteous, and as long as we stay connected to our Source (Jesus), His grace is enough for every aspect of our lives. When we grasp who God is, we can begin to re-address or re-analyze what we have believed Him to be.

For those that do not know God and what He has done for us through Jesus Christ, this is the perfect way to Re-Present Him to you as Life.
