

Frequencies for Your Life

Welcome to the World of Healy! The Wearable Device for Holistic Health, Wellbeing and Vitality

Healy is a small and practical device (controlled by your smartphone) that uses Individualized Microcurrent Frequency (IMF) programs to harmonize your Bioenergetic Field for many important areas of life.

The whole human organism is based on a transfer of molecules, energy and information. The Bioenergetic Field (BEF) is the flow of life energy connecting body, mind and soul, traditionally known as Chi (or Qi) and Prana.

In scientific terms: An information flow on the quantum level.
