Who We Are:

Bridgeway36 is a small, minority, self-certified, woman-owned consulting firm headquartered in Sacramento California. We are a boutique firm ideal for that special contracting need. We can help vendors establish their Government Contracting license and permits, conduct training as well as SME for the RFP process. The owner is a retired Director with over 25 years of State Third Party Administration and Contracting experience. Our team consist of Certified Business Consultants who have retired from successful careers.

NAICS Code - 541611

Government Pension Plans that also administer Defined Contribution plans have unique needs as these programs typically are classified as Quasi State Agencies. (401-k, 457 & 403(b) plans respectively).

We understand and have the consultant experience to assist with many phases of the procurement process including:

- Request for Proposals
- Vendor Selection Panelist
- Bidders Conference Facilitation
- Subject Matter Expert
- Procurement Process

DUNS: 117409940

Other: NAICS Codes:

541618 Other Management Consulting Services

541860 Direct Mail Advertising and other office related NAICS codes to include those hard to find contracting services.

Our consultants have worked for and with the largest Public Employee Retirement Systems, State Teacher Retirement Systems, Department of General Services & the Department of Corrections as well as privately owned businesses.
