## SPRING HOUSEKEEPING TIPS

The flowers are blooming, the birds are serenading, and the house still feels like it's stuck with winter blues. Spring cleaning is a tradition that allows us to freshen up our homes. Here are two spring cleaning tips to get you started.

### Organize and Clear the Clutter

One of the biggest parts of spring cleaning is often getting rid of clutter. Sorting your belongings into four categories—trash, give away, store, or put away—can also be effective as you go through the spring-cleaning process. Move the clutter out as soon as possible, whether it's bringing a donation box to a charity or planning a yard sale.

### Get the Household Involved

Make spring cleaning a household endeavor. Even young children can be excellent helpers. Assign age-appropriate chores, so everyone feels included. Try throwing on some music as you all clean or establishing a household reward as an incentive to get the work done.

## Easy Baking Recipes With 5 Ingredients or Less: Apple Cobbler Crumble

### Ingredients

1 cup self-rising flour  
1 cup white sugar  
½ cup butter, softened  
½ teaspoon ground cinnamon  
4 Granny Smith apples, cored and sliced

### Directions

Preheat oven to 350 degrees F (175 degrees C). Grease a 9x9-inch baking dish.

Mix flour, sugar, butter, and cinnamon together in a bowl using a pastry blender or fork until crumbly; reserve ¾ cup flour mixture to use as topping.

Sprinkle a light layer of flour mix into the prepared baking dish; top with a layer of apples. Continue alternating layers of flour mixture with apples and ending with apples. Sprinkle top apple layer with the reserved ¾ cup flour mixture.

Bake in the preheated oven until apples are tender and topping is lightly browned, 30 to 35 minutes. Allow cobbler to cool for 10 minutes before serving.
