File of Life..... Fire Department 767-0368

File of Life is a medical information packet designed to provide emergency personnel with necessary medical data to begin immediate treatment when a patient is unable to provide this information. This concept can be used by any person, but is especially helpful for patients who live alone. The card, which is kept in a red plastic pocket labeled File of Life, lists the patient’s name, emergency medical contact, insurance policy, social security number, health problems, medications, dosages, allergies, recent surgery, religion, and a health care proxy. The sticker inside should be placed on the front door of a person’s residence to alert responding medical personnel to locate the entire packet, which is held with a magnet to the outside of the refrigerator. Packets can be obtained at any Ponca City Fire Station, the Alliance Health Emergency Room, and many local doctor’s offices and pharmacies.

File of Life forms can be completed & submitted at: www.poncacityok.gov/forms.aspx?fid=101

Fire Safety..... Fire Department 767-0368

The Ponca City Fire Department provides free public fire safety training on an as-needed basis. Free fire station tours can be scheduled Monday through Friday from 8:00 a.m. to 5:00 p.m. The department conducts yearly inspections of all businesses in Ponca City for Life Safety Code compliance. The department maintains a program for homeowners and those purchasing a home where department personnel install a smoke alarm in the residence at no charge. If you rent or live in an apartment house, the property owner must by law supply each residence with a working smoke alarm.

Home Improvements..... Development Services 767-0383

Many home improvement projects are subject to zoning and building code requirements and require a building, electrical, mechanical or plumbing permit issued by the Development Services Department. For example, most construction, renovation of decks, room additions, detached garages, carports, storage sheds, and sprinkler systems require permits. Home improvement projects may also be subject to additional deed or private covenant restrictions.

Home Occupations Development Services767-0383

All home occupations require the individual to register with the Development Services Department. Home occupations can include music instruction, one operator beauty shops, child care establishments, tailoring, and other service oriented occupations. The display and sale of items is prohibited. Only the persons living in the home may be employed in a home occupation. Call to request an application.

Inoperable Vehicles Development Services767-0363
Code Complaint Hotline767-0331

Inoperable vehicles must be stored in a garage or on property lawfully zoned for such storage. The vehicle must have a current license plate. An inoperable vehicle is any vehicle which is junked, abandoned, wrecked, wholly or partially dismantled, placed on blocks or chains, or lacks any part necessary for the lawful operation of the vehicle on the streets and highways of Oklahoma.

Code Complaint Hotline767-0331

Property owners are required to maintain their residences and places of business to provide aesthetic and safe surroundings to themselves and their neighbors. The exteriors of structures are to be maintained in a sound condition to prevent further deterioration or an appearance that will cause neighborhood blight. Windows and doors must be free of broken glass and torn screens. Wall surfaces should be painted or covered with siding. State of Oklahoma statutes allow municipalities to have dilapidated buildings demolished, the costs of removal then becoming a lien on the property. The administrative officer designated to carry out the duties of the governing body in regards to property maintenance is the Development Services Director.

Cann Memorial Garden Center..... 1500 E. Grand Avenue.....767-0430

The 10-acre estate located in the heart of Ponca City was given to the City of Ponca City by Elsie Cann Brown, daughter of L. A. and Mary Cann in August 1975, in memory of her parents with the stipulation that it would be maintained as a memorial garden for use of the people of Ponca City. The 2-story farm house built in 1908 has been refurbished with a beautiful shaded patio area and over 2,500 feet of brick walkways. The formal garden contains several hundred varieties of annuals and perennials planted in unique color displays. Over 70 species of trees have been planted

there since 1980. The gardens are open daily. Garden tours may be set up by appointment.

A 24-hour reservation is preferred, if 24-hour notice is not given then the service is subject to availability. Pickups start at 8:00 a.m. and end no later than 4:30 p.m.

Veterans Assistance

Veterans Benefits 877-222-8387
Veteran’s Landing..... 400 E. Central Avenue, Suite 304..... 580-362-6375
Veteran’s Landing is a place where a veteran can go and get help if he\she wants it; a place for a veteran to be able to connect. A veteran may just need to sit and enjoy a cup of coffee and talk to fellow veterans or they may need help with a benefit question, employment needs, housing, and food. Veteran’s Landing meets Veterans “where they are,” and helps with the transition to family and community life. It is Ponca City’s only peer run drop-in center that provides a family friendly, alcohol-free and drug free environment. The goal of the Veteran’s Landing is to provide a broad range of counseling, outreach, referral services to eligible Veterans and their families in order to help make a satisfying post-war re-adjustment to civilian life. Family members of all veterans are eligible for Veteran’s Landing services as well.

School-Technical

Pioneer Technology Center 2101 N. Ash Street.....762-8336

Since 1973, Pioneer Technology Center (PTC) has provided the resources and training needed to fulfill its mission of enhancing lives and securing futures. PTC offers full-time career specific programs to high school and adult students so they can develop knowledge, technical skills, and character traits needed for success in the workplace and in life.

In addition to providing programs for the developing workforce, Pioneer Tech delivers an array of services for existing companies, start-up businesses, entrepreneurs, and industries; as well as adults who want to update or enhance existing job skills or just have fun with a hobby. Because PTC is part of a statewide network of technology centers, they have access to an unlimited pool of expertise that can help companies be more profitable through increased efficiency, quality standards, and certifications that qualify them to work nationally and, in some cases, internationally.

Along with quality career specific programs, Pioneer Technology Center offers programs that allow students to find success in core academic subjects. Through the ABE/HSE program, adult students without a high school education can gain the knowledge needed to earn their diploma. Students whose native language is not English can take advantage of English as a Second Language (ESL) classes. For high school students at risk of not finishing high school, PTC offers the SHARE program along with credit recovery opportunities to assist them in meeting graduation requirements.

Full-Time programs are for high school juniors and seniors as well as adults with some exceptions. Contact the Student Services office to schedule an assessment testing appointment. Classes typically run from the second week in August through the last week of May.

Pioneer Tech offers short-term classes through Adult Training and Development in the spring, summer and fall. Online courses are always available and offer a wide range of highly interactive courses taken entirely over the Internet. All courses are led by expert instructors, many of whom are nationally known authors. Online courses are affordable, fun, fast, and convenient. Classes typically run the second week in August through the first week of December, second week of January through the end of May, and June through July.

Visit pioneertech.edu to find out more about their programs and services.

University Center at Ponca City..... 2800 N. 14th Street.....718-5600
www.UCPoncaCity.com

The University Center at Ponca City offers college and university degree programs and coursework from several Oklahoma higher education institutions. The University Center provides associate, bachelor and master's degree programs.

Courses are taught through distance learning channels, such as interactive television, as well as professors who teach in person at the University Center. Interactive television allows students and instructors to see, hear and talk to one another as if they are physically sitting in the same classroom.

The University Center is located at 2800 N. 14th Street in Ponca City. Academic advisement is available Monday-Friday to assist in enrollment, admission and college or university selection. Financial aid and scholarships are available for those who qualify.
