Thomas Crary Currently Bellalago HOA Secretary

Born in Boston Mass.

Settled in New York State

Moved to Florida for the 2nd time in October 2019

While I didn't serve in the US Military my family has a rich history. My father serviced as a navy corpsman with the 1st Marine div. during many pivotal battles in the Pacific theater during WWII. He went on to service in the Korean conflict as well. 2 Brothers served in peacetime Army. Neice and Nephew both Naval academy graduates, one serving as Captain of a vessel in the Asian theater and the other a Lt. Com. Serving as weapons officer on F-16 flying off Carriers. Very proud of all of them.

I had a 38 year career with the New York State Dept. Taxation and Finance. Experienced in Forms Development , Systems Testing (Income Tax Processing), Project Management at all levels ,Executive management at the highest levels , producing executive reports for the legislative and Executive branch's of NYS Government.

Acted as my own general contractor while building my Log home in the mountains of Albany County , New York State.

Active in both Town Politics (Town board) and District school board.

I served on the landscape committee prior to being appointed to the board Jan. 2025.

I have served as Bellalago HOA Secretary for the past 21 months.

I have served as Landscape and Lakes & Ponds committees Board liaison for 20 months
I am proud to have been a part of their accomplishments during that time.

Lakes and ponds have recently taken the bold step of a yearly phased approach of shoreline remediation. As a boating community the shoreline and access to docks is vital.

Landscape committee has the dual responsibility to advise the board with new initiatives with irrigation and landscaping. With the new Irrigation vendors recently brought in we are seeing great strides forward with reliability. I look forward to continue this work and bring all homeowners back on line with a reliable system. Next year we will be checking every individual home for better performance.

I look forward to serving the community for another term.
