Welcome

You are absolutely invited into this sacred space. We welcome all who are seeking God's love and grace. All Saints recognizes that we are all unique and beloved children of God. We celebrate and give thanks for the many diverse gifts that God has given us. We affirm the sacredness of people of all sexual orientations, gender identities, and gender expressions. We affirm the sacredness of all those who have experienced exclusion because of race, ability, age, or culture. We are committed to working towards anti-racism in ourselves and our community. We affirm the sacredness of all those who wrestle with addiction, physical or mental health, imprisonment, socio-economic circumstances, or anything that too often divides us. We believe that through our openness we all grow in our faith through Christ's teaching to love one another as God loves us. We need each other and our sincere hope is by being in community together, we will experience God's presence in new and real ways.

We often think about baptism as a one-time event: I was baptized. We don't think about it as an ongoing event: I am baptized! And so we often don't celebrate our baptismal birthdays in the way we celebrate the anniversaries of our birth, with yearly celebrations. But we have every reason to remember and celebrate the day of our baptisms, the day in which we became members of the body of Christ!

We are beginning a project of collecting baptismal birthdays. Please complete one of the baptismal birthday sheets and place in the offering plate.

Bishop Candeia reminded us that as followers of Christ, we are to pray for and support the most vulnerable among us. She pointed out that right now, the most vulnerable people in the world are the women, children, and elderly people living in the Gaza Strip.

If you feel called to do something to help, Lutheran World Relief is providing aid to civilians caught in the crisis in Israel and Palestine. You can donate directly at lwr.org/israel-gaza.

All members are welcome to attend regularly scheduled council meetings. Additionally, the Council would like to remind you that the most recent Council reports and minutes are available on the bulletin board in the narthex.

- If you need anything in the weekly happenings it should be submitted no later than Monday.

1. In our text Jacob is given a new name Israel by Yahweh like his grandfather Abraham in last week's text. This name is a reflection of his position as the face of the covenant going forward. Have you acquired a nickname given by family or friends and did you embrace it or are you uncomfortable when hearing it?
2. Joseph bullied his older brothers and paid the price for doing it. I was bullied (picked on as it was called when I was a kid) when I entered 4th grade and went to a new school. My dad and I did not handle it well, but it was not taken as seriously 70 years ago as today. Then it was expected as a male you found fight back be a man, so to speak. Did you experience being bullied as a child and how did you handle it?
3. As a kid were you ever part of a group that exhibited bullying toward a new kid in school. How did you deal with it? Did you go along with the group or did you befriend the victim? In today's world have you experienced other people being degraded and

dehumanized? Did you speak out? Our GOD expects us to speak out and speak up, but that is easier said than done.
