

## **TRANSITIONING FOR OUR FUTURE**

**6/27/21**

**10:15 am**

Ron Easton and Anne Lee presented the final report from the Transition Team. Lisa Melton was out of town.

The written report was reviewed.

- New mission statement

- Calling Pr Sarah as permanent PT minister. There were recommendations but nothing to vote on at this time. There will be a congregational meeting to implement any changes. It will be held before the November congregational meeting. Ron and Pr Sarah Pierce will meet with Rev Whetter from the CSS office to discuss the call process.

- Online services

- Long term programs

- The 4 new goals. New ways to get members. At no time did we discuss closing the church. We need everyone's help to move forward.

- Ways to get more involvement from members

Ron thanked Anne, Lisa, and Pr Sarah for their help in the process.

Jim McDonald thanked Carla Girkin and Marie Benz for helping the youth group with their activities.

Sharon Levasseur asked that the final report be emailed/mailed to everyone.

Carla thanked the Transition Team again for their efforts. A round of applause was given to show our appreciation.

Email Ron with any questions.

Meeting adjourned at 10:27 am.
