**Welcome**

You are absolutely invited into this sacred space. We welcome all who are seeking God's love and grace. All Saints recognizes that we are all unique and beloved children of God. We celebrate and give thanks for the many diverse gifts that God has given us. We affirm the sacredness of people of all sexual orientations, gender identities, and gender expressions. We affirm the sacredness of all those who have experienced exclusion because of race, ability, age, or culture. We are committed to working towards anti-racism in ourselves and our community. We affirm the sacredness of all those who wrestle with addiction, physical or mental health, imprisonment, socio-economic circumstances, or anything that too often divides us. We believe that through our openness we all grow in our faith through Christ's teaching to love one another as God loves us. We need each other and our sincere hope is by being in community together, we will experience God's presence in new and real ways.
