Did you know...

Glide Fire Association is comprised of a group of men and women volunteers who support the mission of Glide Fire District. Glide Fire Association has elected officers, and decisions are voted on by the Association members. Glide Rural Fire Protection District is run off a Tax Basis. The Association was formed to help raise funds to purchase items that the tax base does not cover. They help with warm meals for our major fire events, healthy foods and drinks for our volunteers, and many more things that are part of the day-to-day needs. Without the Association, Glide Fire would go without many supplies that help our community stay safe and protected.

Proceeds from the Raffle, Pies and Baked Goods will help fund future needs of the District.
