I was excited to visit Leavenworth Lions on November 20th to induct 4 of their new members! Congratulations to the Leavenworth Lions. On December 5, I was invited to the Tonganoxie Christmas party and had the honor of inducting two of their new members! On December 10th the Olathe Noon Lions asked me to induct one of their new members. Again this is great news! Way to go Lions for growing our impact by growing our clubs with new members. Be sure to get them involved right away with service to the community. When new members are active in their club they are much more likely to enjoy themselves and invite others to join them. Each new member will benefit by the club providing them with a New Member Orientation. Here is a link to a video that you can share with new members of your club: <https://www.lionsclubs.org/en/search-results?keys=new+member+orientation> Club leadership can download a powerpoint from this page on the LCI website: <https://www.lionsclubs.org/en/search-results?keys=new+member+orientation> **Customize the new member orientation with what your club does in your community too!** We still have two more quarters to grow our membership in District 17A. Let me know about the new members coming into your club, ask me to come and induct your members if you would like. Keep up the effort as we chart our course and celebrate our successes one new member at a time!

Many clubs are busy this time of year with service to the community. I was asked again to help with face painting at the Auburn Lions Community Christmas. Many clubs are busy with their traditional holiday service projects. As noted by Vern Failor in his article, Jan. 3-11 is the International Week of Service for Hunger Projects. Food Drives, Meal preparation, Serving the Hungry and many other projects can be planned for this week. It must be reported in the Service report for your club to be considered for the Club Excellence Award this year.

We have some opportunities for Leadership Development and membership growth. See the Growth Workshop in this issue, Required Club Officer training in the portal due by Dec. 31- See Article by Vania Castro, GLT. Also note the Regional Training for GPLLI & FDI in Baldwin City this summer, and save the date for the 50th Anniversary of the USA/Canada Lions Leadership Forum in Memphis this coming in September 2026.

Please mark your new 2026 calendar and plan to attend the District 17A Convention in Manhattan this April 10-11, 2026

**Merry Christmas and Happy New Year
And Thank You for all that you do for your communities!**

Roger Yost
1st Vice-District Governor

It's the time of year that procrastinators need to be on the back burner. I have the responsibility to fill many spots for the Lions 17A cabinet for my year 2026-2027. This is no easy task as all past District Governors will attest. Lions International sets minimum requirements for several others are filled by Lions from our 68 clubs and 1,375 Lions in 17A. Lions with the knowledge and desire to lead our district forward.

Some are filled by elections for multi-year terms. The hardest to fill consists of 10 zones made up of our 68 clubs. These are commonly called Zone Chairs. This position shouldn't be taken lightly. This person shall be willing to contact each club in the individual zones, attend cabinet meetings and be able to communicate with the District Governor and other committees as needed. Work with other Zone Chairs to conduct zone meetings either individually or as a combined group. The Zone Chair is the Governors right hand in knowing what the clubs need and concerns they may have.

Governor training is required by in person classes, online courses and by zoom. All are rewarding, full of information and as all are designed to keep you up to date with the day to day changes that take place within your state and multiple districts but also our Lions World.

My Christmas wish is to always keep an open mind, accept change and work for the betterment of Lions Worldwide.

It does not matter how slowly you go. As long as you do not stop.

Cheryl Kerns
2nd Vice-District Governor

November included the second district cabinet meeting and a couple zone meetings. I always enjoy learning about the service projects around the district and working together to better our communities. I also relish sharing ideas on how to grow our membership base and help our members stay in our club!

I hope everyone had a great Thanksgiving. Let us be thankful for the friends and family around us. Thank you to our Veterans...who give us the freedoms we enjoy (and sometimes take for granted). Thank you to our police force...who protect

our communities. Thank you to our teachers...who have the difficult task of creating decision makers, independent thinkers, and contributing citizens! And thank you to Lions...who go where there's a need, without fanfare, and make a difference.

May the holidays be joyful. May you have the gift of family around you. May the blessings of the season abound and may you find health, success, and joy in the new year.

2nd Vice-District Governor

Lions Health Program

January 2026 is Hunger month as proclaimed by Lions Clubs International

January 3-11, 2026 is a special push by the International President AP Singh to fight World Hunger. He is asking each club to provide a meal for a group in your community or some kind of a project that promotes community hunger relief. There are many ways to do this and it is a requirement for being Club Excellence this year. Look at the LCI website for information to help you with your project. Please look in your community and find a project that you think will work, plan it, take pictures of it, write a story about it and submit it to LCI through Service Reporting in the Lions Portal.

To me Lions Clubs go about their Community service and do not promote the project well enough. So let's get the community involved and see what you can do for relieving World Hunger in your community. If you need help please contact Lion Vern.

Auburn Lions Community Christmas at the Auburn Community Center Dec.6.

Challenge continues...

Warm Hearts, Strong Pride:

**A Winter Membership Challenge for Lions
December 1, 2025 – February 28, 2026**

As the snow falls and the days grow shorter, let's keep our Lions Pride shining bright!

This winter, the challenge is simple: stay connected, serve together, and share the warmth of Lionism.

How to Build the Pride This Winter

1. Warm Hearts Through Service

Choose a project that spreads warmth — literally or figuratively — throughout your community.

Here are some **winter service ideas** for your club:

- Host a coat, glove, or blanket drive for those in need
- Sponsor a "Souper Bowl" food collection for your local food pantry
- Volunteer to serve hot meals at a community kitchen
- Partner with schools to provide winter care kits (hats,

- socks, hygiene items) for students
- Deliver Valentine's cards or small gifts to nursing home residents or first responders
- Offer to shovel snow or do light yardwork for seniors or disabled neighbors
- Organize a pet food drive to help local shelters through the winter months
- Collect and donate books or puzzles for hospital or senior center activity rooms

Nothing warms a cold day like the heart of a Lion in action.

2. Stay Connected With Fellow Lions

Winter can feel long and quiet — so make sure your club keeps the fun alive!

Try one of these:

- Chili cook-off or soup supper fundraiser or social
- Game or trivia night with prizes or themed teams
- Hot cocoa and cookie exchange before or after a meeting
- "Ugly sweater" night at your January meeting for laughs and fellowship
- Host a virtual meeting or service event if weather keeps people home — it still counts!

3. Reconnect & Reach Out

Take time to personally reach out to members you haven't seen in a while. A phone call, coffee meetup, or handwritten note can make a big difference.

Remind every Lion how important they are to the Pride — because strong clubs are built on strong relationships.

4. Invite Others to Join the Pride

Every Lion has the power to grow our Pride!

Bring a friend, family member, or coworker to a service project or social night. Let them see first-hand what it means to serve with heart and compassion. The best invitation is your example.

5. Share Your Lion Pride

Post photos and stories of your club's winter service and fun using #WarmHeartsStrongPride and #LionsServe.

Share your warmth online — your story could inspire someone new to become a Lion!

The Goal

Keep our clubs active, connected, and growing through the cold months — proving that no season can freeze the heart of a Lion. Together, we'll build the Lions Pride, strengthen our friendships, and continue to serve with compassion and joy all winter long.

**Kansas State Lions Service Project
January 2026**

(In conjunction with the Zoom State Council Meeting)

Kansas Lions from all three districts (17-K, 17-A and 17-N) are being asked to support the following Kansas veterans facilities;

- 1) Kansas Soldiers Home in Ft. Dodge,
 - 2) VA Eastern Ks. Health Care System in Topeka and Leavenworth, and
 - 3) Robert J. Dole Dept. of Veterans Affairs in Wichita.
- Each of these groups draws veterans from throughout Kansas.

Basically, Lions will have an opportunity to support the needs of a veterans' home in their own district by purchasing items locally or ordering online with all items delivered to a designated Lion in his/her own district. Having one Lion collect items will give Lions a better idea of the number of individuals or clubs that participate—no matter whether one item or 100 items are donated. Delivery will be an opportunity to garner publicity for the facilities and Lions.

Lions Kathy and Mike Bell will handle delivery to the Kansas Soldiers Home.
Lion Rick Dodson will deliver to the VA Eastern Ks. Health Care System facilities. He will co-ordinate with Lion Bobby Duvall to deliver in Leavenworth and Topeka.

Lions Hans and Shari Neihardt will handle the Robt.J. Dole facility in Wichita.

A list of needed items for each facility is listed below. Choose what and how many of the items to send

USA/Canada Forum – Memphis, Tennessee

September 3-5, 2026

A Record of Developing Leaders

The 2026 USA/Canada Lions Leadership Forum is set to mark a momentous milestone next September, celebrating its' 50th anniversary. Scheduled to be held in the vibrant city of Memphis, Tennessee, Lions, Leos, and guests from across North America will gather at the Renasant Convention Center to honor five decades of leadership, learning, and service. Since the very first Forum in 1976, the mission of the USA/Canada Lions Leadership Forum has always been to develop leaders, motivate and educate attendees, as Lions continue to live by our motto: “We Serve.”

True to tradition, the Forum will offer an extensive lineup of educational seminars, covering topics from club growth and leadership skills to digital engagement, global humanitarian impact, and of course opportunities for speed learning sessions, where presenters will deliver powerful takeaways in fast-paced, interactive formats. Forum attendees will also have the opportunity to join in a Lions service project, making a tangible difference in the Memphis community and take part in the traditional Strides Walk, promoting diabetes awareness and healthy living.

Throughout the weekend, Lions will have the opportunity to meet and hear from Lions International executive offices and directors, as they share updates on global initiatives and celebrate the dedication of Lions across the U.S. and Canada. During the Friday luncheon, Lions will hear from two outstanding speakers; Stephanie Krieger Graef and Leslie F. King, on human trafficking. Ms. Graef is the founder of S7 Consulting, a small business exclusive to anti-human trafficking engagement, instruction and prevention. Ms. King is a survivor of human trafficking and sexual exploitation. Utilizing her experience, she opened Sacred Beginnings, a safe haven that offers hope and healing to trafficking victims. Special guest speaker at the Saturday evening dinner will be singer, songwriter, and entrepreneur Floyd Armstrong. A former member of The Fifth Dimension, his high energy personality, will have the Lions out of their seats. If you attended the Reno Forum in 2023, you may remember this outstanding speaker.

Of course, Lions will have the opportunity to visit the Forum Store to purchase Lions apparel, pins, memorabilia commemorating the 50th anniversary, and so much more. Another highlight will be the exhibit hall, showcasing innovative service tools, partner organizations, Lions programs, hands-on experiences, and exciting new ideas to take back to their districts and clubs.

Beyond the Forum, visitors can enjoy exploring the sights and sounds of Memphis. From the soulful rhythms of Beal Street to the world-famous Graceland, local hospitality and Southern charm will make your entire experience unforgettable.
