STANDARD OPERATING PROCEDURES

INTRODUCTION

APPROVAL: These documents need to be adopted by each new Kansas Lions State Council as their policy directives to each committee. The State Council must then allow each committee time and support for doing the tasks assigned.

PURPOSE: The primary reasons for developing Standard Operating Procedures is to have clear expectations of the work of a committee by the State Council and to help committee members quickly focus upon their purpose for being appointed. This is of great importance when the personnel in various positions are in office only one year and only four meetings are available to conduct business.

HISTORY: The first effort to develop written SOP's was made in 1983. During 1986 and 1987, these original documents were extensively revised with some additions of content and complete reorganization into a standard format. In June 1998, two SOP's were added, Leadership, Extension, and Membership (LEM) and Youth Activities, and other SOP's were revised and approved. In 1999 LCIF and State Vice-Council Chairperson SOP's were added. Retention was added to the MEL in 2004 and it became the MERL Team.

FORMAT: To provide a consistent set of SOP's a first priority was to use a common writing style. The style needed to be concise and the major points needed to be highlighted so that they were easily located. The paragraph heading style was selected. The following major divisions would be used for the presentation:

- Purpose of Committee
- Committee Selection
- Duties
- General Operating Procedures
- Calendar of Events
- Other Suggestions.

REVISIONS: These documents must be continually changed as the mission and operations of the Kansas Lions are modified. Various State Councils might want to change the direction or responsibilities assigned to a committee. Each Committee Chairperson is also encouraged to recommend changes as needed.

It shall have general management and control of the business, property and funds of the Kansas Lions State organization and it shall exercise general control and supervision over all officers and committees of the Kansas Lions State organization.

EXECUTIVE SESSIONS: Private Sessions may be needed, however, on certain occasions, to discuss matters prior to action by the State Council. The following subject matter areas are appropriate for discussion in executive session:

1. Personnel matters which, if discussed in public, would constitute an invasion of privacy.
2. Consultation with legal council with regard to litigation.
3. Discussions pertaining to business actions with outsiders which need to be kept confidential.

REVIEW MEETING: A "review meeting" may be held at the discretion of the chairperson for the purpose of reviewing issues anticipated to be presented to the State Council.

Each District Governor shall fully discuss the decisions with their Lions during Cabinet meetings and Zone meetings.

PURPOSE OF COMMITTEE

This committee is to recommend to the new State Council assignments to all Multiple District 17 committees including chairperson and vice-chairperson and scheduling and location of State Council meetings for the coming fiscal year.

COMMITTEE-SELECTION

This is a standing committee provided for in Article VI, Section 1 of the By-Laws to the Multiple District 17 Constitution.

The newly elected State Council Chairperson will serve as Committee Chairperson. The Vice-Chairperson of the State Council and the outgoing State Council Chairperson, as an ex-officio member, will serve as members of the committee. The State Secretary and State Treasurer may serve as advisors to this committee.

DUTIES

MEETING: This committee will meet during the State Convention as soon as possible after the election of the new State Council officers.

COMMITTEE ASSIGNMENTS: This committee is to make recommendations to the new State Council at a meeting during the State Convention for standing and special committee assignments, including chairperson and vice-chairperson, so that the continued operation of the State Lions organization is insured.

STATE COUNCIL MEETINGS: This committee will also make recommendations regarding scheduling and location of State Council meetings as required by the Constitution.

GENERAL OPERATING PROCEDURES

OUTGOING GOVERNORS: An outgoing District Governor should submit their recommendation for committee assignment to a member of the newly elected Committee on Committees immediately following the election of the new State Council officers at the State Convention. Outgoing District Governors are favored with assignments to the committee of their choice whenever possible.

INCOMING GOVERNORS: Newly elected District Governors should be assigned to a committee as an ex-officio member, in order that continuity can be established on committees from year to year and that direct input can be had in each committee by a member of the State Council.

OTHER APPOINTMENTS: Each District Governor should inform the constituents of the availability of appointments to various state committees. The Governor should ask that a request for committee assignment be submitted and will submit these requests to the Committee on Committees immediately following the election of new officers at the State Convention.

COMMITTEE ON COMMITTEES SOP

COMMITTEE MEMBERSHIP: Standing committees are those included in Article VI, Section 6 of the By-Laws of the Constitution of Multiple District 17. These committees are:

- (1) Committee on Committees
- (2) Budget and Finance
- (3) K-I Committee
- (4) State Convention
- (5) Constitution and By-Laws, SOP's & Parliamentarian
- (6) International Convention
- (7) Public Relations and State Publications Committee
- (8) Long Range Planning Committee
- (9) Leadership, Extension, Retention and Membership (MERL)

Standing committees shall have no less than three or more than five members. Special committee assignments can be made as deemed necessary. Standing and special committee appointments, except MERL, shall be for a period of one year. Committee members may not serve in excess of three successive years on any given committee and a Committee Chairperson cannot succeed himself/herself in office. All appointees must be Lions in good standing belonging to a Lions Club in good standing within Multiple District 17.

ADDITIONAL FACTORS: Since these committees are responsible for the Lions program on a state-wide basis, it is suggested that committee appointments be widely distributed among all the Districts. It is further recommended that the political aspect of assignment to committees be eliminated and that only the most qualified Lions be selected. It is strongly suggested that all committees be limited to the minimum number provided in the Constitution and that additional members be used only when in the best interest of Kansas Lionism. Acceptance of committee responsibility should be obtained from the appointee before the list of appointments is printed for distribution.

REFERENCE: The State Secretary shall compile a list of standing and special committee appointments for the last five (5) years and make a list available to the Committee on Committees for reference purposes.

CALENDAR OF EVENTS

TIMING: The committee has only a short time to function. The committee can meet after the election of the new State Council officers and must complete required work before the first meeting of the new State Council. All these events occur during the State Convention weekend. The election is often held on Thursday night and the new State Council meets on Sunday morning.

STATE CONVENTION SOP

LIONS AND SPOUSES LUNCHEON: On Friday, the program should welcome Lions to the host community and indicate what the local area has to offer.

FRIDAY NIGHT DINNER: A barbecue or other informal activity is suggested for Friday evening. Some entertainment is desirable. No speaker is needed but someone should be placed in charge.

MODEL CLUB LUNCHEON: This Saturday event should demonstrate how to successfully hold a Club meeting with tail twisting, fun, a brief business session, and an informative speaker.

CONVENTION BANQUET: Formal attire is needed for the two head tables. Flowers should be provided for all at the head table and a spotlight is needed for entrance introductions. The International guest is to be the speaker and should be the focus of the evening. This should be the highlight of the convention with emphasis towards the message provided by the International guest.

SUNDAY MORNING. A relaxed atmosphere is advised here. A nice Necrology Service of the All-Faith type is desired, along with a sit down breakfast.

To insure program consistency and a working knowledge, the Chairperson should have been a member of the committee the previous year.

GENERAL GUIDANCE & RESPONSIBILITIES

BUDGET PROPOSALS: The Band Committee shall be responsible for preparing an expense budget (paid from Band funds), upon which the cost of tuition can be based. Committee expenses (mileage to attend State Council meetings) will be paid from MD-17 Administrative Funds. The State Treasurer will assist the committee in managing the receiving/disbursing of all band funds. Formal audit of Band Committee funds will be accomplished in conjunction with the annual audit of the Kansas Lions Multiple District 17 account(s).

MAILINGS & WEBSITE: The Band Committee shall obtain a list of Kansas Lions club presidents or secretaries, and high school band directors for the current Lions/school year; so that appropriate information, application, and medical forms can be mailed to them. The State Secretary can provide mailing information for all MD-17 clubs. Mailing labels for the high school band directors may be obtained from Kansas State High School Activities Association at a nominal fee. The initial mailing of information should occur as soon as practical, but at least ninety (90) days prior to the application deadline. In coordination with the band director(s), additional band information will be mailed to each participating student as it becomes available, to include a roster of key personnel, schedules, student chair placement music, camp rules and personal items/clothing that are required or recommended. All pertinent information and forms need to be uploaded and available as soon as possible on the Kansas Lions web site at www.kansaslions.org.

APPLICATION & MEDICAL FORM PROCESS: Application and medical form must be returned to the Band Committee prior to set application deadlines. The application form should contain band locations/dates, return application "to" address, and costs for participation. Information required from the student on the application, should include date of application, student's name, address, phone, age, gender, current grade, shirt size, school name, sponsoring Lion/Lioness club, band instrument(s) they play, and experience level. Medical form must include parents' names, addresses and phone numbers, personal physician's phone number, and medical information concerning any prescription medications in use or physical conditions present which might affect the student's comfort and well-being during his/her stay. All medical information will be kept confidential and made available only to the attending nurse. Upon receipt of band applications, the following will be accomplished.

STATE AND INTERNATIONAL BAND COMMITTEE

1. Maintain contact with the State and International Band Directors as required.
2. Return incomplete or illegible applications to the sponsoring club or student for corrections.
3. Maintain an electronic database of information taken from the applications received.
4. Forward monies received to the State Treasurer.
5. Post a list of approved students on the Kansas Lions webpage (under Kansas Lions Band).

STATE & INTERNATIONAL BAND SPECIFIC

STATE BAND: The committee shall select a State Band Director (normally the State Band Director will be the hosting college's Director of Bands) to be in charge of band operations and to assist in making logistical arrangements on campus. With concurrence of the Band Committee, the State Band Director shall select additional staff members as needed to ensure sufficient musical staff to operate the program. All eligible high school students will be given every opportunity to participate in the Kansas Lions State Band program. It is preferred, but not required, that participating students will be sponsored by a local Kansas Lions Club. Student tuition will consist of housing, meals, staff, music, transportation, uniform cleaning, administrative costs, and other expenses as may be involved in a specific situation (Note: Be sure to determine whether there is a separate charge for rehearsal space). As an initial starting point to figure State Band tuition, use the maximum number of students expected, staff members, and chaperones, who will be attending the camp, along with other proposed costs to produce an initial expense requirement; divide the initial cost expenditure by the number of proposed attending students (only) to determine the tuition cost per student. As a guideline, State Band directors are normally paid \$1,200.00 and additional staff \$200.00 to \$300.00 depending on their position or assignment. A proposed State Band budget will be provided to the State Band Director; they will determine the breakout for staff payment, but must stay within the proposed budget. Unless Lions or volunteers are available, dorm counselors will be needed on the basis of one for each 20 - 30 students or one for each floor for night supervision and may be compensated up to \$150.00 for the week. Volunteers will receive "room & board" and if Band Funds are available, some compensation for mileage may be received. A nurse will be selected by the Band Committee to be available and will receive compensation in the form of "room & board" and \$150.00 (or \$300.00 if also going with the International Band).

INTERNATIONAL BAND: The committee shall select an International Band Director via an application process. Once selected, the International Band Director will serve in that capacity for five years, at which time the application process will be used to select a director for the next period of five years. International Band Directors may terminate their five year commitment by official notification to the Band Committee Chair at least 10 months prior to the next scheduled International Convention that the Kansas Lions Band is slated to participate in. During special emergencies, a Director may be excused from his/her duties with concurrence of the Band Committee. With concurrence of the Band Committee, the International Band Director shall select up to eight additional staff members to ensure sufficient musical staff to operate the program (Note: If band size exceeds 100 students, additional staff can be approved). Any student that participates in the State Band within the same year is eligible to be part of the International Band. The Band Committee will execute all requirements for an International Band unless the location of the International Convention is too remote, participations numbers are too low (minimum 45 students), or participation is cost prohibitive. The Band Committee will select a travel agency to assist in making all appropriate arrangements for the International Convention trip. Costs involved in International Band will include transportation, food, lodging, shipping large instruments and equipment, parade theme materials, fees for entrance to attractions or tours and other expenses related to the band. The total trip cost should be figured by using band members plus accompanying staff. After total costs have been determined, funds available from The Kansas Lions Band Foundation and any other sources should be deducted from the total. That total will then be divided by the anticipated number of students to determine a cost per member. The International Band Director normally receives \$500.00. Additional International Band staff members will normally not receive any compensation, except "room & board". The International Band Director may also be compensated for minimum administrative expenses (not to exceed \$300 without Committee approval).

STATE AND INTERNATIONAL BAND COMMITTEE

STATE COUNCIL CHAIRPERSON KANSAS LIONS MULTIPLE DISTRICT 17

SOP 3.01.....JANUARY 2005

PURPOSE OF POSITION

The State Council Chairperson serves as the leader of the Lions of Kansas and the Executive Officer of the State Council.

SELECTION OF STATE COUNCIL CHAIRPERSON

The State Council Chairperson will be elected in a meeting of State Council and District Governor elects prior to the Fourth State Council meeting. This is a special meeting of the State Council for the election of the Council Chairperson and Vice Council Chairperson. Selection is made from the outgoing District Governors as specified in Article V, Section 2 of the Lions Multiple District 17 Constitution.

DUTIES

STATE COUNCIL MEETINGS: The Chairperson is responsible for scheduling, preparing agendas, and conducting all meetings of the Council of Governors of Multiple District 17.

COMMITTEE ON COMMITTEES: The Chairperson heads this committee which prepares recommendations on all committee assignments. The State Secretary will prepare recommendations of locations and dates for the State Council Meetings. See SOP 1.01 for a complete description of these duties.

MONITOR COMMITTEES: The Council Chairperson will maintain regular contact during the year with all Committee Chairpersons to ascertain that they are accomplishing their goals for the year and are effectively fulfilling their responsibilities as defined in the Constitution and appropriate SOP.

STATE OFFICE OPERATIONS: The Chairperson shall be responsible for overseeing the duties of the State Secretary as well as the functions of the State office. The State Council will do a yearly evaluation of the State Secretary at the State Convention. The evaluation will then be compiled by the Council Chairperson and a copy submitted to the State Secretary, the current State Council and Council Chairperson-Elect, with a copy to be kept on file in the State Office.

GENERAL OPERATING PROCEDURES

COMMITTEE ON COMMITTEES: As soon as possible following the election the Committee on Committees (composed of the State Council Chairperson elect, the State Council Vice-Chairperson elect, the State Council Chairperson and the State Secretary) the Committee on Committees meets to make the committee assignments for the succeeding Lions year.

(This meeting should take place before May 20th). The Council Chairperson elect is chairperson of this committee. A desirable custom in the past has been for the District Governor-Elect to submit to the Committee on Committees a list of qualified Lions from their District to be considered for appointment to the various committee positions. The Committee on Committees should make every effort to appoint qualified Lions to the committees that can best use their talents and at the same time distribute appointments among the various Districts of Kansas.

Budget considerations are often included in the appointment as to the number of Lions on committees where size of membership was not specified in the State Constitution. The Constitution should be followed in the committee structure as directed. The committee assignments or appointments are submitted to the incoming Council for approval at the Fourth State Council Meeting.

STATE COUNCIL CHAIRPERSON SOP

SPEAKER SELECTION: Speakers are usually chosen a year or more in advance by the Kansas International Family. The State Secretary should submit speaker request form and have information from LCI forwarded to the Council Chairperson. The Council Chairperson should fill out the speaker evaluation form within 21 days of the event and return it to LCI.

HOSPITALITY OF SPEAKER: The Council Chairperson is responsible for the arrangements and hospitality for the visiting dignitaries. Arrangements for the “extras” such as flowers, fruit for the rooms, hospitality arrangements, etc. shall be made by the Council Chair and the bill submitted to the Mid-Winter Rally or State Convention Committee for reimbursement. Also, the Council Chairperson should obtain a gift for the guest speaker and spouse and bills should be submitted to the appropriate committee.

INTERNATIONAL CONVENTION: The Council Chairperson in conjunction with the International Convention Chairperson hosts the Kansas Breakfast. The Council Chairperson is also in charge of the Kansas Caucus and short business meeting after the various candidates for an International office or their representatives have campaigned or solicited the Kansas Delegation support.

STATE COUNCIL BUDGET: The State Council Chairperson with the assistance of the State Treasurer should prepare the State Council Budget. It should contain the following consideration: Mileage for Council Chairperson and State Treasurer, and visiting personages. Motel-hotel accommodations and meals for Chairperson, Treasurer, District Governors, gifts (this has included \$100 for State Secretary and \$50 for Office Assistant at Christmas), miscellaneous expenses, Treasurer's Bond, and audits. Historically, Lions International has paid for attendance of the District Governors at three council meetings. The State Treasurer prepares a schedule showing whether or not the meeting expense is charged to Lions International (I) or State Council (C). Traditionally, those meetings which are farthest away from the person's home and involving the most expense are charged to Lions International. International will pay expenses for eight guest speakers for district and state functions. The State Council Chairperson may determine the least expensive and then the State Convention will pay that expense. The most expensive speaker will be charged to that District. The State Secretary's office sends the agenda with reservation arrangements to the speaker at least three weeks prior to the meetings.

HOST DISTRICT GOVERNOR RESPONSIBILITIES: The State Secretary shall make arrangements for the Council Meeting with the direct assistance of the District Governor in whose District the Council meeting is being held:

1. Location
2. Registration and ticket sales
3. Decorations
4. Banquet Entertainment
5. Spouse activities as available and desired.
6. Preside at banquet in conjunction with the State Council Chairperson.
7. Assist President of PDG Club with arrangements for the breakfast on Sunday morning. This could be speaker, etc. as requested by PDG Club officers.
8. Arrangements and hospitality for visiting dignitaries as assigned by Council Chairperson.

INFORMAL COUNCIL MEETINGS: Information meetings of the Council have often been held prior to the Council Meetings. These informal meetings provide a time for the discussion of any problems or activities, to include those presented by the Committee Chairpersons, which may require action by the Council. Individual Committee Chairpersons should contact the Council Chairperson in advance to schedule a specific time to meet with the Council. These meetings have also proven to have merit in providing the Council Chairperson and State Treasurer with information concerning problems faced by each of the District Governors. The sharing by the District Governors also provides an exchange of ideas that work.
