

# ***MD-17 Environmental Photo Contest***

The 2019-20 Environmental Photo Contest is open to all Kansas Lions and Leos.

This year's contest will depict four categories and one Special Theme.

Categories are as follows:

- Animal life
- Plant life
- Urban or Natural landscape
- Weather phenomenon.

(No people in photos submitted in the categories above.)

- Special Theme: Environmental Service projects.

This category can picture persons in them and can be a project in progress or newly completed.

Example: Lions planting trees or kids playing in a new park, etc.

Photos should be original and unaltered and taken in your area this calendar year. Photos should measure 8" x 10" and printed borderless on high quality photo paper. Photos with white borders will be disqualified. All photographers accept responsibility for the cost of taking and processing all photos. Lions Clubs and Leo Clubs are invited to submit one photo in each category to the District Environmental Chair by January 1, 2020. The photographer should specify which category they want their photo entered.

Photos in the state contest will be voted on at Mid-Winter Rally in January 2020.

Contest photos become the property of Kansas Lions. Kansas Lions reserves the right to disqualify entries that do not meet contest criteria or that may be viewed as inappropriate or objectionable. An award will be presented to the winning photographers and the photos will be featured in Kansas Lions News. At all levels of the competition photos will be judged impartially based on originality, artistic merit and technical quality.
