Lions and Tigers and Bears – OH MY! (Mainly Lions)

We are off to see the Wizard – or maybe Dorothy, um DG Diana! Please join us in Liberal for our 17-K Convention on April 11th and 12th. Liberal is known for it's Air Museum, Pancake Race, Dorothy's House and of course, the Liberal Lions Club! We are in the middle of planning for fantastic seminars, food and great fun. There will be learning opportunities and networking with Lions that we do not see often. If you would like to help with the Hospitality Room, please let DG Diana, 1VDG Lou or 2VDG Jeremy know.

We hope to see all of you there!

Childhood Cancer Drive!

We are low on supplies for our Cancer Bags that we give to the child with cancer and their family.

Please see the information included in this newsletter on what is needed for the bags.

We will have someone on hand to report this service project when you drop it off! They will also be available to report all your projects this year.

DISTRICT 17-K CONVENTION

Friday, April 11th at Seward County Community College in Liberal (Union Bldg)
(1801 N Kansas Ave) from 6:30 p.m. – 9:30 p.m.

Come dressed as a Wizard of Oz character for a chance at prizes or just come to enjoy the fun!

We have a surprise game planned that will be a ton of fun for everyone!

Saturday, April 12th Liberal Conference Center
503 Hotel Dr. (Next to Fairfield Inn)
Registration starts at 8:00 a.m.
Convention starts at 9:00 a.m.

A block of rooms have been reserved at the Fairfield Inn. A discount rate of \$104 is being offered to Lions members and family. Be sure to ask for the Lions Club Block.

Please have at least one person from your club at the convention.

We are excited to welcome **International Director Guy Hollander and his wife Carol** to our convention. More information on ID Hollander on the following pages.

Lions District K17-K Newsletter

February 2024

District Governor Diana Baumann

Hello Lions,

It is great to finally have some time to sit down and put together a newsletter. I hope this finds you all doing well and planning your Spring activities. Spring will not come fast enough for me this year!

I have had a great time visiting clubs. ***I always enjoy a short trip over to Palco to see what the Lions there are doing now.*** They always have new and exciting projects for their community. They are key to keeping that community growing and active. And they have a wonderful turnout for the Christmas Potluck Meal.

I got to go back to Bunker Hill Lions this year! They were the first club I ever visited, and I was SO nervous. Of course, they were amazing and gave me the courage to go on. I found the Lions in our District to all be so welcoming and listening to them talk about the projects and all they do made this journey one to remember forever. Thank you Bunker Hill for allowing me to come back in my final months as DG.

Natoma had a wonderful Christmas meal. I very much appreciated the company and getting to know the Lions even better. Natoma is always looking for something new as well. They continue to be thankful for the help the district gave them in revamping their Lions building after the flood and I appreciate all their efforts to help their community.

Oh, my goodness and the food was amazing! ***Thank you Lions. You are such wonderful hosts as well as stewards for your communities.***

Weather and illness kept me away from ***Kensington, Kirwin and Great Bend Noon Lions*** so I will be seeing them soon. I also look forward to taking goodies to ***Lucas, Great Bend Evening Lions, Kirwin and Pratt.*** ***Great job on your new Lions! I am SO proud of you and all clubs who added members this year!!! Membership numbers show us as -29 for the year. My goal overall is +1.*** I am asking you to help me make this happen. Thank you to the clubs who are adding members! I know we can do this! I firmly believe after meeting the Lions in our District that we must find a way to increase membership to keep doing what we do. This is a way to show our children what they should be doing as adults. Help others.

It is the best feeling in the world, and it helps set up our world the way we want it to be when our children, grandchildren, great-grandchildren, etc. are growing up. ***If we do not do it – who will?*** Thank you to all the Lions who have brought their children into their clubs. Who show them the way, encourage them along the way and help them learn to lead as they serve. Some pay the dues for their children for a while as well. They are showing them how to be a good citizen not just telling them to. Way to go Lions!

I am SO excited about the upcoming District Convention.

This year is extra special as the ***Liberal Lions*** have stepped up and asked to have the convention in their community. They are working hard to make this one of the best. ***AND, Hays Lions*** want to help as well. They always do so much for us, and I thought they might like a break but they are jumping to help by making the decorations and getting vans so they can travel as a group. I LOVE teamwork and this year is going to be all about that! Clubs helping clubs. ***WOW!!! I challenge your clubs to do the same – ride together.*** Maybe come down the night before and spend the night. Bring your club closer together as a family and just have fun. So many good things going on that it is hard to wait for April 11th!!! And it is all because of YOU!

You are sure to enjoy International Director Guy Hollander and his wife Carol!

I was able to meet them at the USA/Canada Forum this year and enjoyed talking with them. I appreciate both finding time to talk during their very busy schedules and very much look forward to their visit. ID Guy is from Lawrenceburg KY, so he must be a great person! ☺

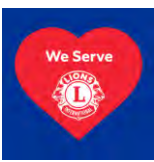

Will I be making dessert for you next? Just ask and get those members in. Have you had a membership drive this year? Do you need help with ideas? Let your Governor's Team know, and we will answer questions and/or visit to do whatever we can for you.

***Follow the Yellow
Brick Road to
Liberal with us!***

See you Soon,

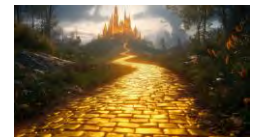

DG Diana

February 2024

1 VDG Lou Morgan

Happy New Year Lions,

Well, it sure is cold outside but as a Lion we all have warm hearts. I hope everyone in District 17-K is ready for the cold weather that is on its way.

Just to let you know - I spent a week in St Charles, Illinois at the Q center with over 700+ 1st Vice-District Governors from over 68 countries and I will soon share with you what we learned. It was a learning experience to meet so many other 1st VDGs/DGEs from all over the world, and to meet the incoming **International President AP Singh.**

I would like to ask all Lions in 17-K to try and get at least one new member to join your club in the next few months. The new member will add two more hands to help with service your club can and will offer to your community.

I hope to see you all come to our **District Convention in Liberal April 11th and 12th.** Come down and join in the fun and meet and talk to other Lions in and around the state. We will be doing a service project there also!

The team is working on getting 5 new Clubs going in our District so if you know anybody that would like to become a Lion please ask them. **Remember that you will not know if you do not ask.** It takes all of us to make this organization what it is today, but we need more members like you to keep helping your community strive in so many ways to be better. Every Lion counts!

If you would like some training on anything reach out to one of us. Make sure that you report your service projects, so your clubs get the credit they are due and make our district look great. I'm looking forward to meeting all of you one way or another.

If you are a 17-K Lion, let's give a big ROAR so the other Lions all cross the state can hear District 17-K!

See you all real soon.

1st VDG Lou Morgan

244biglou@gmail.com

620-352-0569

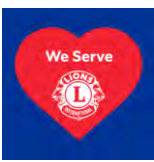

Elkhart Lions (above) and Ulysses Lions (below) welcome 1 VDG Lou Morgan.

District 17-K adds 9 new Guiding Lions!

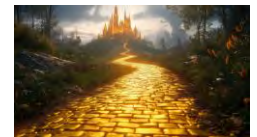

Congratulations to the following new Guiding Lions: PDG Tom Baumann, Linda Chessmore, Steve Chessmore, Jim Huenergarde, Vic Martin, 1VDG Lou Morgan, Patty Morgan, 2VDG Jeremy Skrdlant and PCC Randy St. Aubyn.

They join current Guiding Lions, DG Diana Baumann and PDG Don Keihl and are ready to help any club that may be struggling or will help you set up a new club!

Dec 18, 2024 · 🌐

The WaKeeney Lions Club has completed the 2024 Christmas Food Baskets and Christmas tree Angels.

62 food baskets were dispersed and 46 kids received toys and clothing as a part of this years campaign.

Thank you to everyone that made this year possible! Those who donated and adopted an Angel. We are blessed with such an amazing and generous community!!

A big thank you to the following businesses who graciously host the Christmas Angels for pick up and drop off: Malay's Market, Gibson Health Mart, Lyons First Federal Bank, Solutions North Bank, Keyser Hardware & The Well. Thank you to our local Dollar General for collecting so many Toys for Tots. Also could not do this without the help of our KAY group who play a big role in sponsoring a food drive to help fill the food baskets and adopt angels.

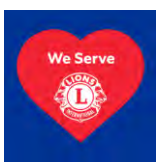

We are always looking for new people that want to be a member of WaKeeney Lions Club! If you would like more information, feel free to reach out to this page.

Merry Christmas and Happy New Year from the WaKeeney Lions Club!

February 2024

LCIF

By: **PDG Rick Dodson** – MD-17 LCIF Coordinator

Melvin Jones Fellowships (MJF) and Progressive MJF (PMJF)

Melvin Jones Fellowships are the highest honor bestowed by Lions Clubs International Foundation (LCIF). A donation of \$1,000 (lump sum or aggregate installments) is required for a MJF or every increment of PMJF. Donations can come from the club treasury, personal funds, or non-Lion sources. If a MJF donation application by an individual Lion is completed properly, that Lion's club, district, and multiple district also receive credit for the donation.

Accompanying the initial MJF is a beautifully engraved plaque. MJFs are typically presented by clubs to honor a long time Lion with distinguished service to the club. A MJF can also be presented to non-Lions who provide exceptional service or support for Lions.

Most PMJFs are provided to Lions after they receive an initial MJF and who continue to support LCIF with personal donations. There are 54 levels of PMJF; the highest level represents aggregate donations of \$91,000 or greater.

We currently have 1,598 MJF and 106 PMJF recipients in the Kansas.

When clubs or individual Lions make donations of less than \$1,000, those funds are held by LCIF in "accounts" for the clubs and individuals until subsequent donations are made to total \$1,000. At that point, a Lion or club can request presentation of a MJF or next higher level of PMJF. In Kansas, we have over **\$400,000** in MJF installment funds at LCIF. That represents approximately **400** MJF/PMJF levels that could be presented if efforts were made to utilize the funds.

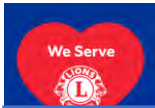

During these last months of the Lions fiscal year would be a great time for a club to increase its club balance to \$1,000 to honor a deserving Lion while helping Kansas Lions reach their LCIF goal of \$119,869 by June 2022. Note that donations made in June might not be processed in time to be reflected in this year's total. Recommend be made donations **NLT mid-May (preferably end of April)** to help ensure processing by June 30th. Similarly, individual Lions with installment balances could make a final donation to complete their MJF or next higher PMJF. Club members with small balances that do not desire or expect to ever complete donations for MJFs/PMJFs may transfer their balances to help their club aggregate enough funds for MJF/PMJF presentations.

I or your District Co-Coordinators or District Governors can provide installment status to any club or individual wishing to honor someone with MJFs/PMJFs.

While we are mostly focused on service to our local communities, we are proud of the myriad charitable projects our Foundation does for the greater world-wide community. Your MJF/PMJF presentations are a highly visible reminder of the amazing things we accomplish across the globe.

Kindness matters, and we can show that by supporting our Foundation.

PDG Rick Dodson
MD 17 LCIF Coordinator
dodsonr23@gmail.com

On the Road with 2VDG Jeremy Skrdlant

Hello Lions,

A little while back, I hopped on my motorcycle and started heading to the small town of Gem Kansas. This was the first time I had gone to their Hog Roast, and I was a little worried about finding the place. I knew Gem was a small town, but I probably should have at least looked at a map ahead of time. But I decided to wing it!

It soon became apparent that finding the event would not be a problem once I got a little east of Colby Kansas. **There was a Kansas traffic jam with everyone going to this event. I had never seen so many cars on highway 24!** The cars in an orderly line all entered this tiny town and ended up at the place where everything was happening.

I pulled up and immediately started hearing live music which is always a good time. I was blown away at how big this event was and how organized it was. Walking in I could see all the Gem Lions happy to help you out. There was a singing group inside and a stage set up outside for aspiring guitarists. There were helpers all over to get you your pulled pork and most importantly homemade dessert.

Their program let **Colby High School band students get to play some songs for the large group.** I could tell they were a little nervous, but it was most definitely a great experience for them. Everyone needs a place to start, and this was an excellent opportunity for these students to get some time on a stage in front of an audience.

I enjoyed my wonderful meal and got to visit with some new people. Looking around I was in awe at **how many people this club had impacted** on this nice autumn afternoon. Kids were playing on the playground and there were folks playing horseshoes while others sat back and enjoyed the music. **Gem might be a small town, but they have a big sense of community.**

Everyone's day was made better by the hard work of the Gem Lions Club.

Welcome ID Guy Hollander & Carol

Edwin Guy Hollander from Lawrenceburg, Kentucky, USA, was elected to serve a two-year term as an international director of Lions Clubs International at the association's 105th International Convention in Boston, Massachusetts, USA, July 7 through July 11, 2023.

Director Hollander is fully retired after more than 20 years of professional service in the field of environmental chemistry. Prior to his retirement he served as the organic preparation supervisor for the Natural Resources Cabinet of the State of Kentucky.

As a member of the **Lawrenceburg Lions Club since first joining in 1995**, Director Hollander has always worked to help his community with the knowledge, resources and enthusiasm that Lions are well known for.

He has held several offices within the association including district information technology chairperson and multiple district public relations & Lions information chairperson. He is an executive board member for the Kentucky Eye Foundation for which he has also held every office through president.

In recognition of his service to the association, he has received numerous awards including an **International President's Leadership Award. He is also a Progressive Melvin Jones Fellow.**

In addition to his Lions activities, **Director Hollander is active in numerous professional and community organizations** including his past work as county coordinator for the American Radio Relay League. Additionally, his work with 4-H has earned him a Volunteer of the Year Award. He is also a member of the American Chemical Society and certified single engine private pilot.

Director Hollander and his wife of 38 years, Carol B. Hollander, who is also a Lion and a Progressive Melvin Jones Fellow, have two children who are both members of the Lawrenceburg Lions Club.

Director Hollander **prefers to be called "Guy" by his friends and fellow Lions.**

Welcome ID Guy and Lion Carol. We look forward to you joining us in Kansas. Thank you in advance for your time to travel our direction.

Lions Service with PDG Tom

We Serve. It's the Lions International Motto and it says it all. We exist to serve others in need.

Most Lions clubs do a great job of serving the community. Projects like eyeglass collection, vision screening, delivering meals on wheels, providing food and toys at Christmas are popular. Local clubs also participate in district and state level projects like sponsoring students to band camp, providing disaster relief, and many vision initiatives.

Lions International has designated eight global causes. **These are Childhood Cancer, Diabetes, Disaster Relief, Environment, Humanitarian, Hunger, Vision and Youth.** Most of the community service projects done by Lions further one or more of the global causes.

Now is a good time to plan service projects for your club to do this Spring. In addition to continuing the service projects that your club is known for, I would like to challenge every Lions club to sponsor at least one new project. Here are a few ideas for you:

February 15 was **International Childhood Cancer Day** – Although that date was last week, February is a good month to do something for childhood cancer. You could make care packages for children receiving cancer treatment, provide funds for families to travel to treatment, etc.

April 22 is Earth Day – You could plant trees, clean up a park, or pick up trash along a highway.

May 28 is World Hunger Day – May would be a good month to do a project related to hunger. Sponsor a food drive for your local food bank. Take backpacks full of food and snacks to your school for children who don't get enough to eat at home.

I hope your club will take advantage of some of these opportunities to expand your service offerings. Doing more service raises your club's profile in the community and helps to recruit members. We need members to do more service, and more service encourages members to join us.

As a state, we've done two service projects at Council Meetings this year. At the October meeting, we made gift bags for children stricken with cancer which included a Halloween card, a toy, and sugar-free candy. These bags were taken to Children's Mercy Hospital in Topeka.

At Mid-Winter Rally we collected a lot of snacks and boxed them up to be shipped to active-duty soldiers all over the world. Additionally, we collected socks for veterans and each DG took them to Veterans Center in their district.

We are also planning a project to do at our District Convention which will be held in Liberal April 11-12. We hope to see as many of you there as possible.

Please make sure that your secretary is reporting all service projects to Lions International. Reported service helps attract grants and donations to allow us to more and larger service projects.

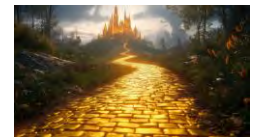

Yours in service,

PDG Tom Baumann

We Serve!

Your next newsletter will not be as long.

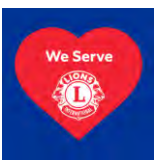

We are catching up with photos and recognition as well as lots of thank yous to our wonderful Lions in District 17-K.

Thanks for all you do for your communities each and every year!

February 2024

Kansas Lions Sight Foundation

"I Can See Clearly Now", Lions - the Knights of Vision, Continue Saving Sight

During 2023-2024 fiscal year that ended June 30, ***Saving Sight distributed a total of 3,678 tissues for transplantation.*** Thanks to the gifts of donor heroes in Kansas, Missouri and Illinois approximately ***10 people each day benefited from restored vision*** thanks to a cornea transplant from Saving Sight.

During that same time-period, Saving Sight provided ***722 corneas for transplant and 40 scleral grafts to patients in Kansas.***

Join us in celebrating the gift of sight! ***This year, eye banks and the individuals who support our mission will observe eye donation under the theme, We Can See Clearly Now.*** Aligning with the lyrics to the iconic 1972 Johnny Nash song, "I Can See Clearly Now", the theme emphasizes the LITERAL outcome of eye donation – ***the ability to see, and the FIGURATIVE outcome of what people experience or "see now" as a donor family, recipient, or champion of eye donation.*** Combining these elements; actual vision, the metaphorical ability to see a new perspective of life and the world, and a distinctly, memorable song as a backdrop – we celebrate eye donations and spread the word about the transformative power of corneal donation and transplantation.

Lions also provide ***free vision screening*** and financial assistance for those unable to purchase their glasses.

For more information, Contact **Jim Huenergarde**, Hays Lions Club, 785-639-3430

THANK YOU JETMORE LIONS!

Jetmore Lions Club has made a \$150.00 contribution to the KLSF and is being presented with a Knight of Sight Pin in recognition of that donation.

100 years ago, Helen Keller challenged the Lions to become the Knights of the Blind in the Crusade against Darkness. The Jetmore Lions Club has answered that call. Thank you Jetmore Lions and all Lions for your help to bring sight to those struggling to see.

PDG Terry Weldin
Knight of Sight Pin Chair

**THANK YOU
FOR YOUR
SERVICE**
