

WHO COUNTS AS A Referral?

An actively licensed, non-KW agent, who lives in our core market areas, and has sold \$1 million or more in volume in the last 12 months.

HOW TO Enter

1. Experience agent connects Kathy Nosek via group text or email with the referred agent to set an appointment and the appointment is set and held.
2. Experience agent invites a referred agent to a KW class or event and either introduces the referred agent to Kathy Nosek in person or connects them in a group text or email after the class/event, which leads to a set and held in-person appointment.

Terms & Conditions

- Referrals are tracked year-to-date and will reset at the end of each calendar year
- All referrals verified by leadership
- All referrals count on the day that an appointment is held
- Inviting a recruit to attend a class or event alone does not count as a referral
- The recruiting appointment must be in-person
- Each referred agent counts for credit once per calendar year
- If leadership has multiple appointments with the same agent, you will only receive credit for the first appointment
- If you refer a married couple, they count as 1 referral
- Only 1 agent can receive referral credit per referral. If a team, partnership, or married couple refers someone, only 1 designated agent will receive referral credit.
- To receive credit for the referral, the recruiting appointment must be held with leadership within 30 days after you have connected the recruit with Kathy Nosek.
- Full-time leadership members are excluded from participating in this program
