

TOURING, **KOLLABORATE & ELABORATE** **WITH KATHY**

Join us every Thursday at 12pm for a hands-on, in-the-field learning experience! We'll tour local broker opens as a group, then head back to the office to break down what we saw and Kollaboratively build a CMA.

Each week, you'll:

- Tour active listings with fellow agents
- Analyze real-time comps and property details
- Work through a CMA together
- Justify pricing decisions with real data and strategy

If there are no broker tours scheduled, no worries — We'll stay in the Market Center and Kollaborate with CMA practice, market discussion, and pricing strategy together!

THURSDAYS **11:30AM-12:30PM**
