Paint. Sip. Laugh. Repeat.

A guided, beginner-friendly painting experience with all supplies included.

Best for: holiday parties, staff socials, client events + celebrations.

Make it yours: choose from our designs or ask about a custom theme.

EXPERIENCE

Pour & Party

Controlled chaos, excellent results.

Guests create a one-of-a-kind acrylic pour using colour, movement and a little creative freedom.

Best for: team building, retreats + groups who want something different from a traditional paint night.

Every piece turns out completely unique.

FAN FAVOURITE

Collaborative Canvas

ONE TEAM. ONE BIG MASTERPIECE.

Each guest creates one section of a larger artwork. At the end, every piece comes together to reveal one final collaborative work.

Why companies love it: it gets everyone involved, encourages connection, and leaves you with something meaningful to display after the event.

Designs can be inspired by your company, city, values, branding or event theme.

Add a Little Competition

FOR TEAMS WHO LIKE THEIR ART WITH A SIDE OF CHAOS.

EXPERIENCE

Trivia & Create

Paint night meets game night.

Work on a creative project while competing in themed trivia rounds. Choose pop culture, music, movies + TV, holidays, decades, general knowledge - or custom company trivia.

Play by team. Compete for prizes. Claim bragging rights.

Designed to get people talking and creating together.

MEMORABLE

Everyone leaves with a story - and usually some art.
