# CROOK OF THE CROWN

THE BLEND THAT STARTED IT ALL.  
NO ONE EVEN KNEW THEY WERE  
WAITING FOR IT ALL ALONG.

**Tasting Notes:** Mulled Wine | Carob | Red Spices

Ballsy black pepper gets enveloped in creme brulee as Mr. Goodbar sips a Cuban coffee outside of a patisserie. Cedar-lined cherry notes carve a path through the dense and savory underpinnings. Take off your hat (or is that the peanut guy?) jump on in, come up for air wearing a crown and a medium-full to full smile.

# CALL TO ARMS

**Tasting Notes:** Dessert Spices | Cream | Honey Graham Crackers

SOPHOMORE JINX? NEVER HEARD OF HER. LIGHT ONE UP AND WATCH THE TROOPS RALLY.

Balance and complexity take a sweet trip to Flavortown. Honey, peanut butter, and chamomile tea are all stops along the way. Cocoa butter, milk chocolate, and malty additions to notes smooth out the road in front. A blend that hits the same way as remembering Picasso could also paint realism. A classic medium profiled cigar that'll set both your eyes to one side of your head.

# 3 KINGDOMS

TWOS MIGHT BE WILD, BUT THREES  
ARE INSANE... INSANELY DELICIOUS.  
STOLEN THRONE'S THIRD  
PORTFOLIO ADDITION TO THE  
CORE LINE, COURTESY OF THREE  
(NICARAGUAN GROWING REGIONS)  
KINGDOMS.

**Tasting Notes:** Dark Chocolate | Leathery Oils | Black Licorice

Buttery-toasty cedar frame. Butterscotch. A bit peaty like a good scotch.  
Espresso. Dark and structured like a high-rise on a foundation of rich,  
savory earthiness. This one is the preferred smoke of that very smart  
third little pig and his house made out of brick. Heck, you might even  
taste a hint of clay. Nuances!

BUILT FROM HISTORY AND  
ADVENTURE. CAREFULLY HAND-

REBELLIOUS AND A TRUE  
EMBODIMENT OF COOL.

Deep, sweet and strong. The Yorktown Fleet brings the heat with a combination of sweetness and spice. Dark fruits and rich chocolate notes intertwined with red spice and espresso. Refined and edgy at the same time. The perfect fourth ace in the Stolen Throne hold.
