Name: _____

School: _____

Phone: _____ Email: _____

Going into a trade lets you follow a dream that is outside of the norm of a college education. Through all the hardships you will endure, this will develop your character. With that, Rat Rod Round-Up wants to help those following these passions by supporting the 3 winners of this scholarship \$1,000-\$1,500 towards their career goals.

ON SEPERATE PAPER, ANSWER THE FOLLOWING QUESTIONS. BE AS SPECIFIC AS POSSIBLE:

- What trade career are you pursuing and what inspired you to go into this field?
- What are your career goals?
- How will this scholarship help you reach your goals and how will you use the scholarship funds?

Applicants will not be judged by GPA. Attendance, however, may be a critical rule out element.

To be considered for a scholarship, applicants must fill this application out to the best of their ability and return it before the deadline. If the student passes the first screening of applications, they will be called in for an interview. Interviews are designed to follow normal interview protocols for employment and will be held the end of April in Sutherlin with some of our committee members who work in a trade.
