

MIRACLE MAILER Stamp PLUS \$\$\$ Co-Op

Millions are generated every year with mail order by people from all walks of life, and this powerful system can help you to do the same.

HOW IT WORKS

When you join a Co-Op your name goes in the #1 spot. Everyone that joins from your flyer will receive their flyer with your name and information in the #2 spot, then in the #3 spot as others join from team flyers. You will always have these positions as you and your team share this system with others. As you and your team continue to share this program with others needing funds, you and they will receive multiple stamps and \$\$\$ at the levels you have joined, PLUS your ad promoting your business, product, nonprofit or event will be shared with hundreds and eventually thousands of people. Don't have a business? Then **The Miracle Mailer can be your business!**

TO GET STARTED

1. Purchase four money orders or certified checks, making one payable to each member listed on this flyer for the Co-Ops that you select to join.
2. Purchase the corresponding stamps for each Co-Op selected.
3. Finally, send all of the money orders or certified checks along with all of the Forever Postage Stamps to the Monitor at the address listed on this flyer for immediate distribution to each member listed on this flyer.
