After 20 years of servicing the community with a Canine Aquatic Service, it is time for me to retire Splash. I thank the community for all your amazing support and friendship. It has been a privilege to serve so many wonderful dogs and get to know their equally wonderful human companions. I will miss you terribly and thank you for being a part of my life.

Another 'Splash' in the county is possible in the future. The information can be found on this website when it is definitive.

I would like to provide you with a list of possible resources that you may find helpful:
