UTS Kendo Club Injury Logbook

The purpose of the logbook is to keep an internal record of any injury occurring during UTS Kendo Club Trainings. It is advised to seek first aid from the RMSH Staff member when an injury occurs. Please seek medical advice from your GP for the best course of action.

All NSWKA and AKR members are covered under the AKR **Personal Accident (Sports Injury) Insurance**. If you need any information from this logbook to make a claim, please reach out to the UTS Kendo Club Executive Committee

Date	Time	First and Last Name	Coach Leading Training	Location of Injury	Brief Description of Injury and Cause of Injury (Please include pain scale 1-10, 10 being the highest)	First Aid Required	First Aid Applied	Signature
