President's Message

Members,

Summer is here! I pray everyone is well.

The UTRTCA recently hosted our national breed specialty in Batesville, Mississippi on May 1, 2025 in conjunction with UKC's Southern Classic under the honorable Senior UKC Judge Tina Camp. Judge Camp made the entire show so fun and memorable!

Let me tell you the miracles we experienced. On the way to the show multiple people had to drive through horrendous storms, someone had a flat tire, someone else ran over something while pulling their camper, I left my wallet in the shopping cart at Kroger and miraculously it was intact upon my return. Someone lost their keys. And someone else's vehicle broke down in the parking lot outside the venue. Thankfully we all made it home safely!!

Everyone seemed to have a great time during the specialty weekend! Wins were spread around and everyone went home with something. Teddies won multiple new titles in Nose Work, Precision Coursing, and DASH!! We also had Teddies win 5 of the 7 Best in Show and 1 Reserve Best in Show rounds during the weekend! It is beyond astounding what all the Teddies earned!!

We also had several non-Teddy people want to join the Club from the welcoming atmosphere they witnessed and experienced from our group. They want to join in the fun!

If all goes well, we hope to have a Teddy Fun Weekend in early November in Central Tennessee. The details are being worked out. The Show Committee will also start planning for our next national breed specialty.

Great things are on the horizon for Teddies! Hope everyone takes part in our future adventures!!

Please mark your calendars for our next Mid-Year Member Meeting scheduled for Sunday, June 29, 2025 at 6pm Central / 7pm Eastern which will be held via conference call. Details will be emailed out to the membership well in advance.

Senior Judge Tina Camp

Senior Judge Tina Camp was so much fun to show under! She is quite the comedian. The way she interacted with our PeeWee Junior Elio was so sweet.

Tina had to take some of the dogs for a walk herself and even tried to walk off with a trolley full of Teddies. Heartwarming that in the Best of Breed round she made sure to shake everyone's hand!

We can not recommend her enough!

Juniors

Congratulations!!!

Elio Fulcher our only PeeWee Junior along with his Teddie named Mr. Wiggles earned the Best Junior rosette! They always put on a good comedy show. Senior Judge Tina Camp was so good with him!

**Custom made special occasion or title ribbons available.
Very reasonably priced!**

Thank You!!

Particular thanks to all the show sponsors!!
We could not have blinged out the show without your support.
Not only is this show covered, but likely the next also. Wow!

Much thanks to Erika Swenson for taking all these lovely photos during the Specialty!!
She makes them available to us at no charge.

Thanks to the UTRTCA Board of Directors & Show Committee for putting together
an awesome show!

Thanks to the Awards Committee for really going above and beyond with the
Directors chairs, buckets, slates, and more!

Thanks to everyone who entered the show and traveled from distances as far
away as Canada! We had the biggest turn out yet.

Thanks to all the spectators who cheered us on and became members of
the Teddy family during the weekend!

Thank you to Celebration Rosettes by Callie for making us some gorgeous, new,
HUGE ribbons! We will be back for more.

Much thanks to Senior Judge Tina Camp for making the Specialty so enjoyable!
Not everyone could win their class, but everyone went home with memories to cherish.

Thanks to UKC for allowing us to hold our 2025 National Breed Specialty in
conjunction with them and the Southern Classic!! Teddies made the most of
the opportunities to rack up new titles all weekend long.

Thanks to all these Teddies for being their own best breed ambassadors!!
They are the reason for all of this.

*The next newsletter is due out in September.
Make sure to turn in your win photos and announcements as they happen.*
