President's Message

Members,

I pray everyone is well!

Teddies have really turned out in full force this year and have earned an astonishing amount of new titles in conformation and across nearly all sports and activities available! Way to work it, Team Teddy!!

Due to the amount of material scheduled for the September newsletter, I decided to split the material and make a Premier newsletter and a second seasonal newsletter. Hopefully the seasonal newsletter will be ready for release in a couple of weeks.

The deadline for the next seasonal newsletter will be December 31, 2025. Please turn in your show wins, new titles, and Brags & Wags as they happen so you don't forget about them come deadline time. We want to make sure everyone's accomplishments are highlighted, but it is impossible for me to keep up with everyone on social media. It is the responsibility of each person to turn in their items in order to be included.

Congratulations to Team Chuck for winning the 2024 UKC Top 10 Invitational along with multiple other titles earned at Premier! Congratulations to everyone else for all their wins and new titles earned at Premier as well!! Everyone who attended Premier earned something while there. It was a glorious sight to witness and participate in.
