OUR LITTLE WINERY AND
THANK YOU FOR SHOPPING
LOCAL!

ALL OF OUR WINES ARE HANDCRAFTED
IN SMALL BATCHES.

FOR YOUR INFORMATION
MOST OF OUR WINE WILL DEVELOP
Wine Diamonds.

This occurs naturally as wine ages or
is chilled and is **not** considered a
flaw, it shows that our wine is not
overly processed by using old world
techniques..

What do they look like?

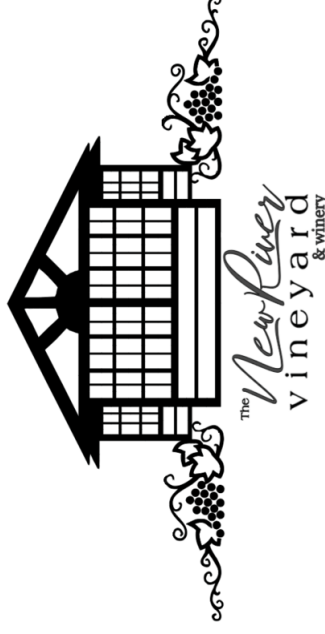

They can resemble shards of
glass, snow flakes, undissolved
sugar or faceted diamonds as
they settle at the bottom of
your bottle.

THEY IMPART NO FLAVOR &
THEY DO NOT SPOIL YOUR
WINE
