## **RULES**

- All racers shall have head to toe coverage.
- D.O.T or SNELL approved helmet.

- All racers shall be always buckled in during the race.
- Race is a dead engine start. If engine is running before the start of the race the driver will be penalized.
- Scoring zones is a no racing zone, there will be a speed zone this will be enforced. If anyone is caught breaking this rule they will be penalized and or disqualified.
- Adult UTV will need working headlights and or light bars. Taillights on the machine must be functional. Racers can run a chase light instead of taillights.
- Racers shall not carry extra cans of gas with them in the vehicle
- In case of a break down the racer, co-pilot, and or crew members are the only ones allowed to work on machine. Track crew members can only help move the machine off the racetrack.
