So Thrilled with Instant Replay

I love the cover. I love the cover model. And I love this book!

So many emotions went into this book. I found while writing it that I really enjoy 2nd chance romances. It's not my first one. But it's the first one with a secret child.

Plus, it has the Miami Dolphins in it! Anytime I can write a book about my favorite sport is fine in my book. Yes, this is the 3rd book I've written about a football player or ex-player. I even have a college football player in the upcoming Nine Lives book (Saddle Key Mysteries). I'm going to keep going with

the sports theme in the next book in this series - hopefully available around my birthday in July.

But first, I would really love for you to take a chance on Instant Replay and fall in love with Lucas and Donna and their daughter, Katie.

Audiobook for Two Hearts Beating Coming Soon

After I heard Jessica Gardner read my book for the first time, I cried. She got it. She read it the way I always hoped someone would. And she understood the story. It was like we were meant to do this story together. When I got the first 15 minutes of the story, I cried my eyes out. The prologue of the book is so emotional. It was emotional to write.

Two Hearts Beating available on Amazon

I can't wait for you to get to experience this book through Audible. I'm looking at a mid-May delivery. So stay tuned for more details as they become available. In the meantime, you can get Two Hearts Beating on Amazon to get ready for the Audible version in May.

One Way Out: Saddle Key Mysteries

Have you started my Saddle Key Mystery series yet? Well, today is a perfect time to pick up your copy. It's

One Way Out available for 99 cents on Amazon

only 99 cents.

One Way Out started my adventures in the Florida Keys. I created my own small town and then started a mystery series with a little romance and a lot of key lime pie. This story was the first of eight cozy mysteries and two mini-mysteries. I'm currently finishing up the ninth book in the series, and it's a doozy!

Pick up your copy today and fall in love with my sweet slice of paradise.
