

Sheila Fowler, Author
Romance & Mystery Writer

Hello, Friends!

Instant Replay available now on Amazon

Instant Replay is a HIT!

The outpouring of love for *Instant Replay* has warmed my heart. This book was so much fun to write and guess what? An audiobook is coming soon for it. I can't believe it myself.

Lucas and Donna are loved as much as my Hoagie is (see his pic - isn't he adorable selling books?). Have you read it, yet? Well, what are you waiting for? Today is a perfect day to pick up the book and settle in for a cozy weekend read.

And if you do enjoy it, please leave me a review. Your reviews help future readers get to know my book and helps me sell to more people. Thanks again for following me on this journey!!

Diego encounters a dead body in his car. And it's someone he knows. How can he tell his mother that the birth father of his twin brothers is the dead body?

Tiffany is an actress on a new film about Diego's mother and father. Her past catches up to her when she spots the man in Diego's car. Why is he following her? And how did he know she was in Saddle Key? Tiffany has been running from the past and acting was her way out of the hurt he once caused her.
