Name of City for This Application: _____, State: _____, Country: _____

Section Cover Sheet: Top Sheet: Community Contractors and Professional

Community Involvement

Contractors, Businesses, and Professionals

Note:

The following sheets are local community members to be considered in the new power plant project. This is not an offer or guarantee of compensation or work. It is a list of possible professional hiring for contract or general contractors to be added to a bidders list. From the name list, we could mention a percentage of seniors with social security, military, and disability.

Percent Seniors 65 and over	Percent Military That Served	Percent Disabled State Verified

Example: $1,129 / 15000 = .075266$ or 7.5%. The answer in the box would be 7.5%.

Name of City for This Application: _____, State: _____, Country: _____

Community Involvement

Should live within 50 miles straight line of new power plant.
