Note:

If site surveys are available from a land surveyor, please email them with this cover sheet to miller@millerenergy.MT, and outline the area of interest for the new powerplant location.

Community Involvement

Contractors, Businesses, and Professionals

Note:

The following sheets are local community members to be considered in the new power plant project. This is not an offer or guarantee of compensation or work. It is a list of possible professional hiring for contract or general contractors to be added to a bidders list.
