Freedom Ride for Candy Ride

Candy Ride was picked up from a Pennsylvania kill pen on August 30th. He enjoyed snacking on hay during his freedom trip to the quarantine barn. He'll be in quarantine for at least 30 days before coming to Circle A.

One Trick Tizzy is Healed and Happy

All adoptions are special, but One Tizzy Trick had a lot to overcome before finding her forever family. Last summer Circle A was notified of a beautiful three-year-old Thoroughbred mare at a sale barn in Louisiana. She sustained a terrible injury at the barn and was left bleeding from her head. Circle A bailed Tizzy, had her wound stitched and brought her to Virginia Beach. Look at Tizzy today!

Raven's Got Her Forever Home

Cowgirl Cat, barn name Raven, living her best life with Sarah and Eryn.

Meet Jacob McDougal, Our Volunteer of the Month!

Jacob came to Circle A on a cold and rainy day last February. As a new volunteer, he could have hung around the barns and stayed dry, but Jacob chose a tough job, he repaired all the broken top fences along the pasture lane. Never a quitter, Jacob didn't stop until the job was done, all the way to the gate at Pasture Five. As a military member stationed at Norfolk Naval Air Station in Aviation Maintenance Administration, Jacob is used to hard work. He says he grew up that way back home in the Florida Pan Handle, where his parents still raise cattle. Jacob is a true hands-on guy, putting up new fencing, gates, helping fix up Barn Two, and repairing anything he sees needs fixing. As if that wasn't enough, Jacob also volunteered to be a Horse Angel to one

Happy Birthday, Scout!

Good ol' Scout, 31-years-old and going strong. Scout came into Alicia's life in 2000 when he was 11. Alicia says this amazing guy taught her how to ride again. He is the best, or as he often hears: "Good boy, Scout!"

Ringo's Living The Best Life!
