To Whom It May Concern,

It is with great pleasure that I recommend **Britton Alexandra Barefoot** for this scholarship opportunity. As Britton's school counselor at Baker High School, I have had the privilege of collaborating with her throughout this school year and have witnessed her growth as a student and a person.

Britton is an exceptional individual who consistently demonstrates leadership, responsibility, and sportsmanship. I am particularly impressed by her ability to balance challenging courses with athletics and perform well. She is a resolute, hardworking student who puts forth a great amount of effort in each of her classes and extracurricular activities. She is respected by both her peers and teachers.

Beyond academics, Britton Barefoot has made significant contributions to the school and community. Her compassion and desire to serve others led to her recognition for collecting the most donations for the Special Olympics. Her dedication and commitment are to be commended, most notably her passion for working with the elderly and youth.

What truly sets Britton apart is her genuine personality, strong work ethic, compassionate nature, and ability to work well as a member of a team. I am confident that Britton will thrive academically and contribute meaningfully to the campus community. I know she has the potential to excel at the university of her choosing and will be a valuable addition to the student body. I recommend her without reservation.

Sincerely,

*Kristie J. Matthews*
