

TOGETHER WE CAN

For 30 years, something pretty special has been happening across the Morongo Basin.

In communities scattered across miles of desert, people continue to show up for one another. A volunteer gives countless hours because something needs to be done. A local business steps up when the community calls. A nonprofit finds a way to serve one more family. A neighbor sees a need and decides to do something about it.

Much of that work happens quietly, without recognition.

Once a year, we get to change that.

The Basin Wide Foundation Annual Awards Celebration & Dinner brings our community together to recognize the people, businesses, nonprofits, and volunteers whose contributions make the Morongo Basin the place we are proud to call home.

This year is especially meaningful. As Basin Wide Foundation celebrates **30 years** of bringing our communities together, we have the opportunity to honor not only this year's award recipients, but a legacy of people who have believed that we can accomplish more when we do it together.

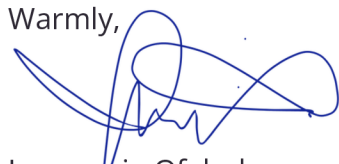

We hope you'll be part of it.

Your sponsorship helps make this celebration possible, but it also says something bigger: *that recognizing the people who give so much to our community **matters**.*

Whether you sponsor the evening, put your name behind one of our community awards, donate an auction item, or simply join us that night, we hope you'll be there. There is something special about seeing so many people from across the Morongo Basin come together in one room for the sole purpose of celebrating the good happening right here at home.

We would be honored to have you be part of it. Together, we can.

Warmly,

Janemarie Ofahulu
Executive Director
